Cool and playful design Satin soft, matte surface Magnet for easy adjustment of the shade Easy to place
The Angle series by Danish designer Maria Berntsen has a modern and timeless design expression. The lamp is carried out in a playful and interactive design with a magnetically attached shade that can easily be adjusted to fit your needs. Turn, tilt or move the shade for a directional or indirect light. The lamp has a practical clamp that makes it possible to place the lamp on a shelf, a bookcase or anywhere you want to highlight selected details in your interior.
