## Product Usage Instructions

### Caution

- Ensure waterproof and dustproof capabilities. Follow cleaning and management instructions to prevent damage.

### Charging

- Charge the watch for at least 3 hours before initial use. Use a charger not exceeding 5V 2A.

### Operating the Watch

- **Power On:** Press and hold the power button for 5 seconds to turn on. Swipe left to access menu screens and tap icons to navigate.

- **Wake Up Screen:** Press power button when screen is off or use Gesture control feature if enabled in the app.
- **Shutdown:** Access Settings – System – Shut down to turn off the watch.

## Strap Replacement

- To replace the strap, slide the quick release mechanism on the strap.

## Frequently Asked Questions

- **Q: What should I do if the watch screen is unresponsive?**
  - **A:** Try restarting the watch by holding down the power button for a few seconds to force a reboot.
- **Q: Can I wear the watch while swimming?**
  - **A:** Yes, the watch is rated P68 waterproof, suitable for swimming activities.
- **Q: How do I customize the watch face?**
  - **A:** Access the DIY favorite dial customization feature in the menu to personalize your watch face.
