WHAT'S IN THE BOX

Camera Mounting Screws		4	Quick Setup Guide		1
Screws and Plastic Anchors		4	Mounting Template		1

NOTE: Download all your support materials and tools in one place.

1. Go to: **http://www.digital-watchdog.com/resources**
2. Search your product by entering the part number in the 'Search by Product' search bar. Results for applicable part numbers will populate automatically based on the part number you enter.
3. Click 'Search'. All supported materials, including manuals and quick start guide (QSGs) will appear in the results.

INSTALLATION

1. Using the mounting template or the junction box itself, mark and drill the necessary holes in the mounting surface.

2. Use the screws and anchors included with the junction box to secure it to the mounting surface.
3. Pass wires through and make all necessary connections to the camera. See the camera's QSG for more information.
4. Using the camera mounting screws included with the junction box, align the orientation of the camera's installation holes and secure it to the junction box.
