DIGITAL WATCHDOG DWC-XPZACM Ceiling Mount Bracket

Product Information

The Ceiling mount bracket for DWC-XPZA cameras (model number DWC-XPZACM) is designed to securely mount the DWC-XPZA cameras to a ceiling. It comes with a silicone mounting pad, machine screws, tapping mounting screws, and a quick setup guide for easy installation.

Specifications

- Model: DWC-XPZACM
- Compatibility: Designed for use with DWC-XPZA cameras
- Mounting Type: Ceiling mount
- Material: High-quality metal
- Dimensions: [Insert dimensions]

Product Usage Instructions

Installation

1. Mark and drill the necessary holes on the mounting surface using the mounting bracket itself as a template.
2. Secure the mounting bracket to the mounting surface using the tapping screws included with the mount. Use the silicone mounting pad between the bracket's arm and the mounting surface as needed for added stability and to protect the surface.
3. Attach the bracket adapter included with the camera to the ceiling mount. Use the M5 x 6 machine screws included with the mount to secure the adapter to the mounting bracket.
4. Pass wires through the mounting bracket and make all necessary connections according to the camera's wiring diagram or user manual.
5. Secure the camera to the adapter using the screws included with the camera. Ensure that the camera is securely attached to complete the installation.

FAQ

- Q: Where can I find support materials and tools for my product?
- A: You can download all your support materials and tools from the official Digital Watchdog website. Follow these steps:
 - Go to: <http://www.digital-watchdog.com/resources>
 - Enter the part number of your product in the “Search by Product” search bar.
 - Click “Search”.
 - All supported materials, including manuals and quick start guides (QSGs), will appear in the results.

If you have any additional questions or need further assistance, please contact our customer support.

WHAT'S IN THE BOX
