**DINGLILIGHTING WS-MNF43-60B-CH Floor Lamp**

## INTRODUCTION

Designed to accentuate any living area, the contemporary and elegant DINGLILIGHTING WS-MNF43-60B-CH Floor Lamp Ideal for bedrooms, offices, and living rooms, this 5-light floor lamp, priced at **\$59.99** offers flexible, adjustable illumination. With a brushed metal finish, it offers durability and fits quite nicely in modern homes. The changeable gooseneck arms improve utility for reading, working, or ambient lighting by letting users precisely focus light where it's needed. Having E26 bulb sockets and a push-button switch, it provides simplicity of use and compatibility with many kinds of bulbs. The corded electric source powering this standalone floor lamp guarantees a consistent and steady illumination. Seeking both style and adaptability in home lighting, the DINGLILIGHTING Floor Lamp is a great choice with its sleek silver finish and contemporary looks.

## WHAT'S IN THE BOX

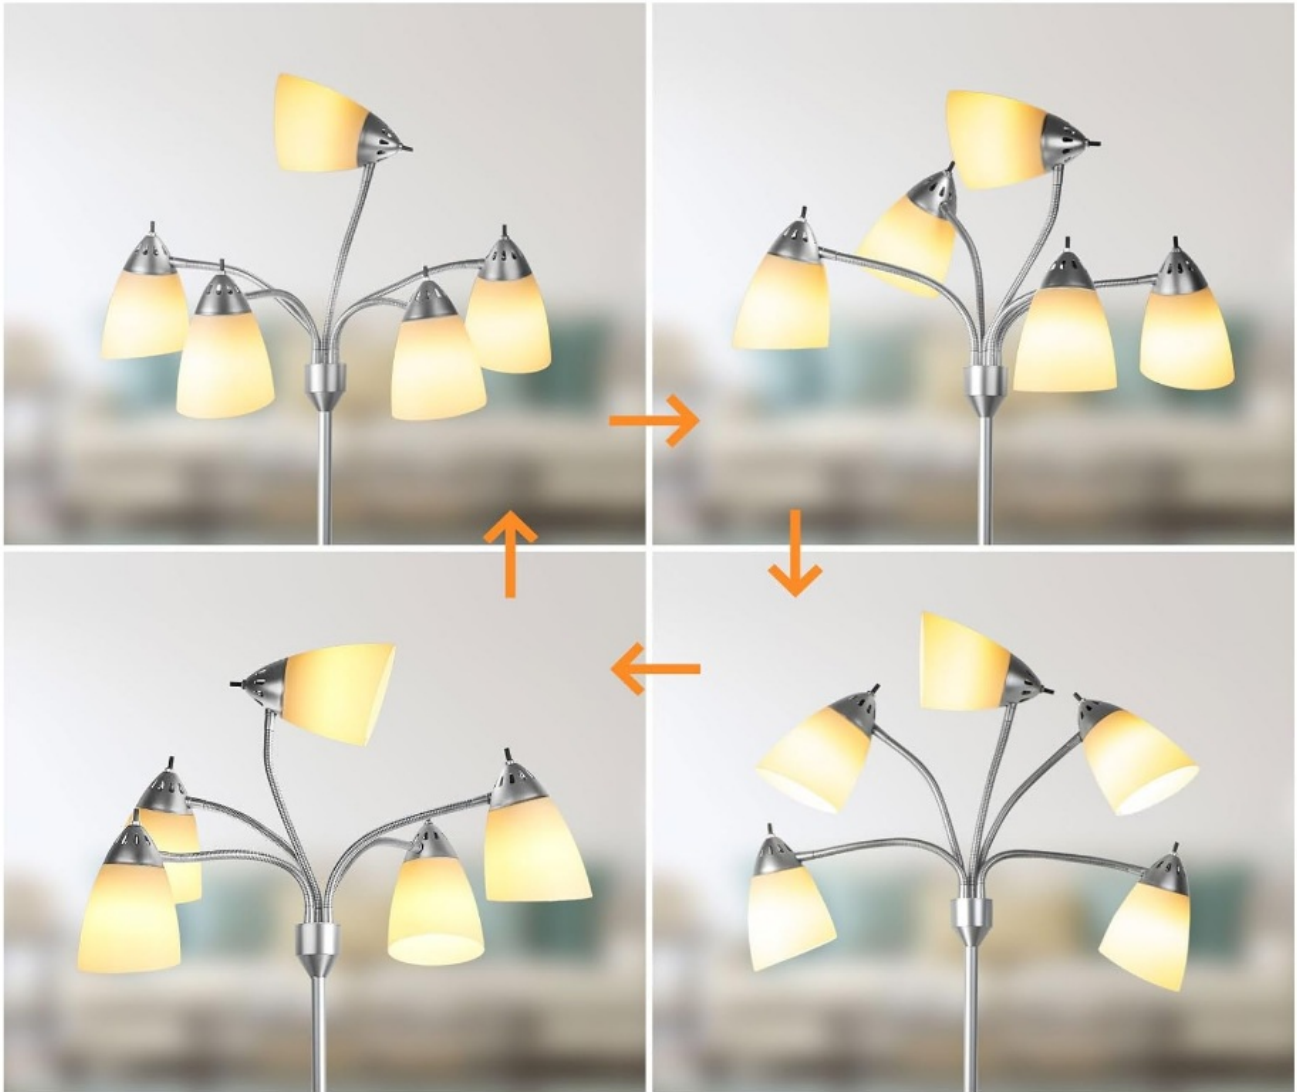

- Lamp
- Bulb
- Manual

## FEATURES

- **Modern 5-Light Design:** Five separate lights enable more illumination and a fashionable modern design.
- **Flexible Gooseneck Arms:** Adjustable arms give room in pointing light to several angles and room sections.
- **E26 Bulb Compatibility:** Easy to replace and personalize brightness since compatible with conventional E26 bulbs.
- Effortless operation of a convenient push-button switch depends on this.
- **Brushed Metal Finish:** Any environment gains sleek and sophisticated accent with the brushed silver finish.
- Strong metal base helps to prevent tipping over by offering stability.
- Designed with a sixteen- fourteen inch height, tall floor lamps are perfect for living areas, offices, and bedrooms.
- Eliminating the need for battery replacements, a corded electric power source offers a steady supply.
- Customizable light direction made possible by gooseneck arms lets one concentrate on particular locations.
- Apart from the push-button switch, Touch Control Method includes touch control for simple brightness changes.
- Additional capability is provided by USB connectivity, which lets one attach devices.
- **Freestanding Installation:** Just lay it on the floor for fast setup; wall mounting is not necessary.
- Designed especially for inside settings including bedrooms, offices, and living rooms, inside Use Only
- Energy-efficient LED bulbs are supported here, therefore lowering power usage and yet producing brilliant light.
- Modern design fits very nicely with modern, industrial, and minimalist home décor trends.

# 360° ADJUSTABLE GOOSENECK ARMS

Freely choose your ideal lighting angles

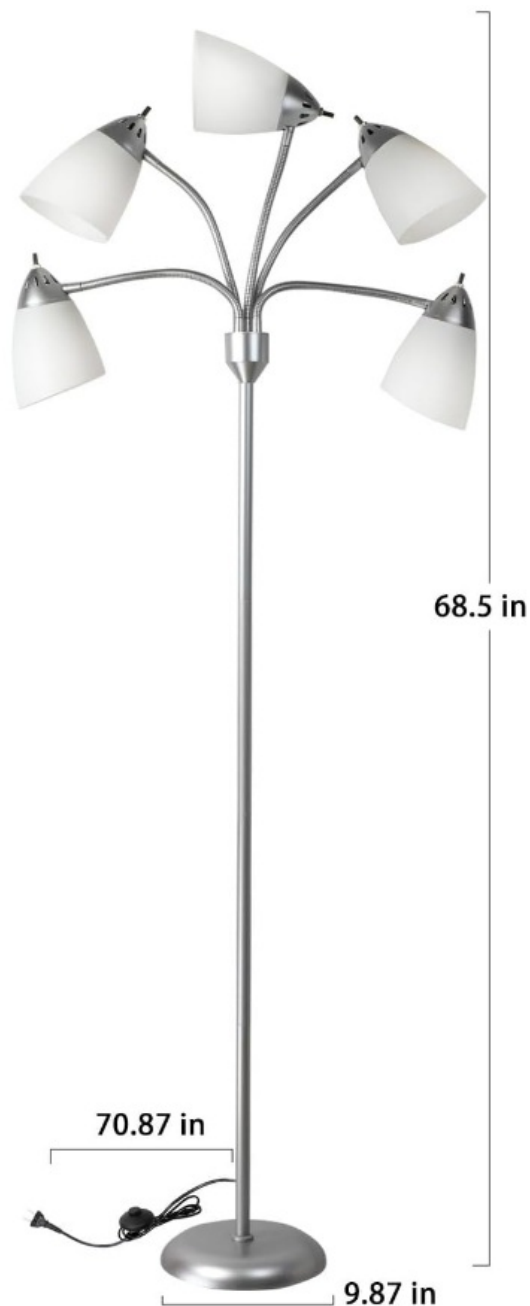

## SETUP GUIDE

- Pull the lamp, gooseneck arms, bulbs, and base from the packing.
- Look for missing parts; make sure the base, poles, and bulbs are among the components.
- Assemble the base; for stability, fasten the metal base to the main pole.

# Main Switch and 5 Separate Switch

- Attach the changeable Gooseneck Arms to the lamp construction such that they fit tightly.
- Install the E26 bulbs; screw in appropriate LED, CFL, or incandescent bulbs.
- Position the lamp such that it offers the best lighting impact from where it is needed.
- Connect the corded electric plug to a regular electrical socket by plugging in.
- **Turn On Using Push Button** : Power the lamp by pressing the push button switch.
- **Change the Gooseneck Arms**: Bend and point the flexible arms in the direction of required light.
- Use touch control to, if necessary, change brightness or turn lights on and off.
- Make sure the power cord is orderly to avoid trip hazards.
- Check the USB connection, if relevant, to be sure it is operating as it should.
- Look for stability; make sure the foundation is correctly positioned on a level ground.
- **Experiment with light direction**: change several light heads to offer best ambiance and brightness.
- **Enjoy Your New Lighting Setup**: Your DINGLILIGHTING floor lamp is ready to accentuate your room once everything is positioned properly.

## CARE & MAINTENANCE

- Dust often by wiping the lamp and gooseneck arms with a gentle cloth or microfiber duster.
- Maintaining the glossy appearance of the brushed metal surface, wipe it with a moist cloth.
- Steer clear of strong chemicals; do not use abrasive cleansers that can compromise the brushed finish.
- Examine the power cord often to see if any wires are frayed or damaged, therefore avoiding electrical hazards.
- Make sure the E26 bulbs are tightly screwed in on regularity.
- Steer clear of water exposure; the lamp is not water-resistant hence avoid spills or moisture.
- Verify the base stability to be sure the metal base stays strong enough to avoid inadvertent tipping.
- Change Gooseneck Arms gently; avoid too much bending to harm the movable arms.
- Turn off the lamp for safety if not used for a long period.
- **Replace Bulbs as Needed:** If one of your bulbs burns out, replace it with an E26 compatible bulb.
- Organize the cord carefully to prevent tangling or tripping hazards from developing from power cable.
- Verify the USB functionality of the light; if it has it, make sure it stays clear from dust and operational.
- **Store Correctly When Moving:** To prevent damage, disassemble and pack properly if you are moving.

- Avoid overloading by not exceeding the advised 60W wattage to stop overheating.
- Turn gently using the push button switch to prevent internal damage.

Sturdy Structure

Wide Application

Easy to Assemble

## TROUBLESHOOTING

Issue	Solution
Lamp does not turn on	Ensure it's plugged into a working outlet and try another bulb.
Some lights are not working	Check if the bulbs are securely installed; replace faulty ones.
Gooseneck arms are too stiff	Gently bend to adjust without applying excessive force.
Flickering lights	Ensure bulbs are tightly fitted; try using different E26 bulbs.
Lamp wobbles on the floor	Place it on an even surface and tighten the base screws.
Push-button switch is unresponsive	Press firmly; check power supply for any issues.
Power cord gets warm	Avoid overloading; ensure proper wattage bulbs are used.
Lamp doesn't fit desired room aesthetics	Adjust the gooseneck arms to change lighting angles.
Minor scratches on metal finish	Use a soft cloth with metal polish to restore shine.
Shades appear dull or dirty	Clean with a dry microfiber cloth or mild detergent.

## PROS & CONS

### Pros:

- Five adjustable gooseneck arms for customizable lighting.
- Sleek brushed metal finish enhances modern decor.
- Push-button switch for easy operation.
- Compatible with E26 bulbs, offering flexible lighting options.
- Sturdy base ensures stability.

### Cons:

- Bulbs are included but may need replacement for desired brightness.
- Not water-resistant, limiting outdoor usage.
- No dimmable function for brightness adjustment.
- Requires assembly upon arrival.
- Lighter weight may cause slight wobbling on uneven surfaces.

## WARRANTY

The DINGLILIGHTING WS-MNF43-60B-CH Floor Lamp comes with a **1-year limited warranty**, covering defects in materials and workmanship. This warranty does not include damages caused by improper use, installation, or external factors. For claims, customers must provide proof of purchase and contact DINGLILIGHTING's customer service for support, replacement, or repair.
