**DIRECTV RC32BB Universal Remote Controls**

## Product Information

The RC32BB, RC32, RC32RF, and RC32RFK are universal remote controls designed for use with DIRECTV receivers. They offer a range of features and compatibility options.

## Product Usage Instructions

To use the RC32BB, RC32, RC32RF, or RC32RFK remote control, follow these steps:

1. Ensure that the remote control has fresh batteries.
2. Point the remote control towards the device you want to control (e.g., DIRECTV receiver, TV, auxiliary component).
3. Press the appropriate button to access the desired function (e.g., GUIDE, INFO, LIST, MENU, PREV).
4. For programmable functions, select the device you want to control (e.g., DIRECTV receiver, TV, auxiliary component 1, auxiliary component 2).
5. Use the buttons on the remote control to navigate and control the selected device.
6. For quick actions, use the red, green, yellow, and blue buttons. The available actions may vary depending on the type of receiver.

**Note:** The RC32RFK model includes an RF antenna for RF capability. This feature is compatible with RF-enabled DIRECTV receivers.

## INSTRUCTION

### DIRECTV® BIG BUTTON REMOTE CONTROL

- **RC32BB**
  - Large, simple design for better comfort, control and ease of use
  - Back lit, with on and off control, for ease of use in low light conditions
