## Display Pros MODify Nesting Table 02

### Product Information

The MODify Nesting Table 02 is a part of the MODify™ Modular Merchandising System. It is a versatile and customizable display fixture that allows for easy assembly, disassembly, and rearrangement. The table features a sturdy metal frame for support and stability, with elegant wooden tabletops that add warmth and sophistication to any space. The table also incorporates SEG push-fit fabric graphics, which provide branding and promotional opportunities.

### Features and Benefits

- Dimensions: 48W x 30H x 24D (1219.2mm(w) x 762mm(h) x 609.6mm(d))
- Leg frames available in silver, white, and black
- Wood laminate tops are available in white, black, natural, or gray grain
- Optional SEG push-fit graphic for each side
- Approximate weight: 47 lbs / 21.3188 kg

### Additional Information

- Powder coat color options are available
- Product specifications are subject to change without prior notice
- All dimensions and weights quoted are approximate
- Graphic templates provide bleed specifications

### Product Usage Instructions

#### Assembly

1. Attach the right support frame with leveling feet to the left support frame with leveling feet.
2. Connect the two 1118mm lengths of PH2 extrusion with cam locks to both ends.

3. Connect the two 1118mm lengths of PH1 extrusion with cam locks to both ends.
4. Lock the top 2 horizontal extrusions to the leg of the left frame.
5. Lock the top 2 horizontal extrusions to the leg of the right frame.

## Counter Top Installation

1. Fasten the countertop to the side frames using wood screws (8 required) through mounted L-brackets.

## Graphics Installation

1. Install the graphics on each side of the table.
2. Press along the perimeter edge of the graphics to secure them in place.

**Note:** Tools required for assembly include a Multi Hex Key (included) and a Phillips Screwdriver (not included). For more detailed information and graphic templates, please refer to the [graphic templates](#).

MODify™ is a one-of-a-kind Modular Merchandising System that is made up of interchangeable fixtures and accessories that can be easily assembled, disassembled, and rearranged to create a variety of different display configurations. The MODify system incorporates SEG push-fit fabric graphics that enable you to brand, promote, and merchandise with ease. The MODify Nesting Table 02 is a perfect addition to any space. The sturdy metal frame provides excellent support and stability, while the elegant wooden tabletops add a touch of warmth and sophistication to any room. SEG push-fit fabric graphics are fantastic options for each side and provide a creative way to show branding, messaging, and color.

MODify Nesting Table 02 slides underneath Nesting Table 01; the nesting feature makes the tables versatile and blends both style and function. We are continually improving and modifying our product range and reserve the right to vary the specifications without prior notice. All dimensions and weights quoted are approximate and we accept no responsibility for variance. E&OE. See Graphic Templates for graphic bleed specifications
