Display Pros MODify Nesting Table 03

Product Information

The MODify Nesting Table 03 is a part of the MODifyTM Modular Merchandising System. It is a unique system that consists of interchangeable fixtures and accessories, allowing for easy assembly, disassembly, and rearrangement to create various display configurations. The table features leg frames available in silver, white, and black, and comes with options for white, black, natural, or gray wood grain laminate wood tops. Additionally, each side of the table can be fitted with an optional SEG push-fit graphic for branding and merchandising purposes. The table dimensions when assembled are 34 inches wide, 36 inches high, and 30 inches deep (863.6mm x 914.4mm x 762mm). It weighs approximately 55 lbs (24.9476 kg).

Wood Laminate Color Options

The table tops are available in white, black, natural, or gray wood grain laminate finishes.

Tools Required

- MULTI HEX KEY (Included)
- PHILLIPS SCREWDRIVER (Not Included)

Product Usage Instructions
Assembling the Frame

1. Attach the right support frame with leveling feet.
2. Attach the left support frame with leveling feet.
3. Connect the 750mm length of PH2 extrusion with cam locks to both ends.
4. Connect the 750mm length of PH1 extrusion with cam locks to both ends.
5. Lock the top 2 horizontal extrusions to the leg frames. The

   locks are located along the bottom edge.

Installing the CounterTop

1. Place the tabletop counter on the assembled frame.
2. Secure the countertop to the side frames using wood screws.

   Use 8 wood screws in total.

Installing Graphics

1. Align the graphics with the tabletop.
2. Press along the perimeter edge to ensure a secure fit.

For a visual representation of the assembly steps and component quantities, refer to the provided images and descriptions in the setup instructions.

MODify™ is a one-of-a-kind Modular Merchandising System that is made up of interchangeable fixtures and accessories that can be easily assembled, disassembled, and rearranged to create a variety of different display configurations. The MODify system incorporates SEG push-fit fabric graphics that enable you to brand, promote, and merchandise with ease. The MODify Nesting Table 03 is a perfect addition to any space. The sturdy metal frame provides excellent support and stability, while the elegant wooden tabletops add a touch of warmth and sophistication to any room. SEG push-fit fabric graphics are fantastic options for each side and provide a creative way to show branding, messaging, and color. MODify Nesting Table 03 slides over Nesting Table 04; the nesting feature makes the tables versatile and the sleek design makes them ideal for any space.

We are continually improving and modifying our product range and reserve the right to vary the specifications without prior notice. All dimensions and weights quoted are approximate and we accept no responsibility for variance. E&OE. See Graphic Templates for graphic bleed specifications
