POWER OPS227 TON VERTICAL LOG SPLITTER User Manual

DESCRIPTION

Introducing the 27-ton vertical log splitter, the DK2 Power OPS227, powered by the KOHLER® 2000 Series RH265 6.5 HP 3600 RPM Engine, featuring user-friendly engine features like Accu-Fill and Easy-Pull technology. This machine is capable of splitting up to 25.5 inches in length and 19.6 inches in diameter with uncompromising force at a cycle speed of 16-17 seconds, all while using the full potential of its welded cross wedge. The OPS227 sits on 16-inch 4.8-8 tires and includes a tow bar for easy job site moving. This unit is not designed for highway towing.
