## Product Usage Instructions

### Installation

1. Ensure the compatibility of your car model with Harman/Kardon or B&W sound systems.
2. Locate the existing tweeters in your car's OEM system and remove them carefully.
3. Connect the tweeter adaptor cables marked TW-A and TW-B to the new tweeters.
4. Use the adhesive foams provided to secure the new tweeters in place.
5. Connect the terminal crimp connectors to the appropriate wires in your car.

### Usage

- The DLS Cruise series tweeters provide natural sound engineered for integration.
- Enjoy improved audio quality and clarity compared to your OEM system.

### Maintenance

- Regularly check the connections and ensure the tweeters are securely mounted for optimal performance.
