DONGGUAN

Dongguan Xizhiduo Technology X3 All-in-One Wireless Charger

Product Introduction

The multi-functional wireless charger is an exquisite charging base, which is widely compatible with Qi wireless charging protocol standard. Three independent coils can be powered by only one line to carry out wireless fast charging for three devices at the same time. When charging your mobile phone, watch and TWS Bluetooth headphone box, as long as you put it on the corresponding charging area, you can automatically charge wirelessly, simplify it and give you a clean desktop. Fashionable appearance design, ABS material, beautiful arc design, just like art design style. The charging seat is equipped with a ring warm light small night lamp, which can infinitely adjust the brightness, sleep easily and bid farewell to the dark.

Product Specification

Product Name: Wireless Charger

Product Model: x3

Output Power: 15W / 5w / 3w

Input Current: 9V / 3A

Output Interface: Type-C

Turning Distance: $\leq 8\text{mm}$

Product Size: 180 * 180 * 23.5mm - Basic | 180 * 180 * 239mm - Lamp

Accessories List

- Wireless charger
- 1, Type-C cable
- 1, Product manual 1

Product Description

Product Appearance
