Turn an ordinary meal into something extraordinary

- Drizzle is the tasty brainchild of friends Laurens Muyllé, Roel Engelen, and Matthias Pletinckx, born from their desire to transform everyday meals into something special without spending hours in the kitchen.
- Together, they set out to find a versatile food top-ping—simple to use, but oh-so-rich in flavour.
- Taking inspiration from Chinese chili crisp, a flavourful oil with crispy pieces of fried onion and garlic, the trio experimented with different combinations of spices like star anise, sumac, Sichuan pepper, and piment d'Espelette.
- Batch by batch, they cooked, tasted, tweaked, and refined their recipe.
- One year later, three types of crunchy chili oil were born: Crunchy Classic, Nummy Nutty, and Supreme Spicy, adding a burst of flavor to your every meal.
- Ready to make your life just a bit easier?
Enjoy!

What's the Drizzle?

Easy

Drizzle's mission is simple: to bring an accessible, versatile, and above all, incredibly tasty food topping to every kitchen. Less time spent at the stove, more time to enjoy your meal. Every day.

Sustainability

From start to finish, Drizzle strives for a short supply chain. Sourcing locally and producing domestically is a given. Additionally, our products are made in workshops that support the social economy.

Across borders

Drizzle is inspired by Brussels' blend of flavors and cuisines. Middle Eastern spices, Asian traditions, French seasonings, Mexican peppers, and Belgian rapeseed oil. Food fusion has never been this cool.

From the Heart

Drizzle is the life's work of three friends with a passion for food, craftsmanship, and pure ingredients. A small team

with big dreams, where authenticity and integrity come first. Straight from the heart to your plate.
