Picture 1

Picture 2

Car Wiper Control

1. Press and hold the button UP for 2 seconds to switch between the AUDI original radio menu and Dynavin radio menu.
2. Press and hold the button Down for 2 seconds to switch from the AUDI original radio menu to the Dynavin radio menu.
3. Press and hold the button Down for 10 seconds to restart the radio.

Get the Multimedia Sound through AUDI Sound System

1. Switch to the AUDI original radio menu.
2. Click the “MEDIA” button, as shown in the picture below, to access the AUX IN mode to have Dynavin multimedia sound through the AUDI sound system.

Navigation Map File

Due to the storage space limitation, not all of the map files are installed in the system

Please configure the map file in the Map Updates menu. For the latest map file, please download it from flex.dynavin.com

System Reboot

If you have any issues during use, tap the System Reset icon from the main menu and tap the “Restart” option.

Support

Please download the latest software version from <https://flex.dynavin.com>
