- Focus-B cable
- Focus-A cable
- CarPlay and Android Auto support
- MDI&CP PHONE Fast Charge
- Ford Focus 2010-2014 Wiring Diagram
- DAB antenna wiring and installation instructions
- Quick Manual
- Installation Video Guide available on Dynavin Europe's YouTube channel
- Dynavision Pro camera compatibility
- GPS, BT, Wi-Fi, FM/AM antennas
- Navigation Map File with the option to configure and update maps
- System Reboot option for troubleshooting
- Support for software updates and technical assistance
- Instruction Manuals available in multiple languages

## Product Usage Instructions

### Wiring and Installation

Refer to the Ford Focus 2010-2014 Wiring Diagram provided in the manual for accessory and wiring harness connections. Follow the wiring and installation instructions for the DAB antenna as mentioned in the manual.

### System Configuration

To configure the navigation map file, access the Map Updates menu. Due to storage limitations, not all map files are pre-installed. For the latest map file, download it from [flex.dynavin.com](https://flex.dynavin.com). The Latest Map Guarantee allows one free map upgrade within 30 days of the first use of the Dynaway app.

### Troubleshooting

If you encounter any issues during use, follow these steps:

1. Tap the System Reset icon from the main menu.
2. Select the Restart option to reboot the system.

### Software Updates and Support

To download the latest software version, visit <https://flex.dynavin.com>. If you require further assistance, contact Dynavin's technical support at <https://support.dynavin.com/technical>.

### Instruction Manuals

Scan the appropriate QR code or visit the provided URLs to access the Dynavin 8 User Manual and Navigation App Manual in different languages:
