VW / Skoda Wiring Diagram

Navigation Map File

Due to the storage space limitation, not all of the map files are installed in the Premium Flex system. Please configure the map file in the Map Updates menu. For the latest map file, please download it from flex.dynavin.com Sound Issue With Original VW Sound System Disconnect the car battery before installing. If your car is equipped with the VW Sound System and there is no sound after installation, disconnect the car battery for one hour and then reconnect it.

System Reboot

If you have any issues during use, tap the System Reset icon from the main menu and tap the “Restart” option.

Support

Please download the latest software version from <https://flex.dynavin.com>
