EarthTronics ECHBPIR1 Linear Highbay Bluetooth Mesh Sensor Controller

Product Information

Specifications

- Order Code: 11805
- Model #: ECHBPIR1
- Input Voltage: 120/277VAC
- Built-in PIR Sensor

Product Usage Instructions

Wiring

To ensure proper installation, follow the steps below:

1. Download the EarthConnect App from your preferred app store.
2. Refer to the app instructions for detailed guidance on setting up the device.
3. For wiring instructions, please consult the EarthConnect App or the EarthTronics website.

EarthConnect App

The EarthConnect App is a companion application that enhances the functionality of the product. Follow these steps to download and set up the app:

1. Visit the EarthTronics website at **www.earthtronics.com/earthconnect**.
2. Download the app instructions provided on the website.
3. Install and open the EarthConnect App on your mobile device.
4. Follow the on-screen prompts to set up and pair your device with the app.
