Easysleep EWN-I3 Sound White Noise Machine

Launch Date: August 5, 2020

Price:\$24.99

Introduction

The Easysleep EWN-I3 Sound White Noise Machine is made to create a relaxing sound setting that helps you sleep better. This machine can play 20 different sounds, such as white noise, nature sounds, and songs, so it can be used by both adults and children. Because it's small and easy to carry, you can use it at home, at the office, or while traveling. With the level and timer settings that can be changed, users can make their sleep settings fit their needs. The memory function also makes sure that your chosen settings are saved so that you can use them again later. The machine also has 12 different types of night lights that can be adjusted, making it perfect for keeping next to your bed. It is safe and reliable because it has been approved by ETL, FCC, CE, and RoHS. The 32-level sound control makes it even better at blocking out annoying background noise. This item comes with an 18-month guarantee from Easysleep, so you can use it without worry.
