Frequently Asked Questions (FAQ)

Q: How do I change the input source?

A: Use the input selection button on the remote control or the device itself to switch between different input sources.

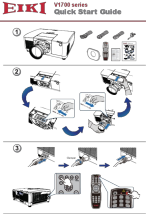

Q: Can I adjust the focus manually?

A: Yes, you can manually adjust the focus using the FOCUS control feature on the device.

Q: What is the purpose of the PATTERN FREEZE function?

A: The PATTERN FREEZE function allows you to freeze a specific pattern or image on the screen for detailed analysis or comparison.
