System Carrying Case

- **Item No.:** 4540011
- **Ident No.:** 21010
- **Bar Code:** 4006825653991

The Einhell E-Case S-F is ideally suited for storing and transporting tools and diverse accessories such as drill bits or screws. Two foam inlays provide protection against scratches for the equipment being stored or transported. A practical locking system for joining stacked cases together ensures that everything can be stored systematically in an organized fashion and the stacked cases transported easily, and the cases can also be opened while stacked. The case is made of polypropylene, is splash-proof and also heat-resistant and impact-resistant thanks to the high-quality material. For optimum carrying comfort there are two fold-in, ergonomic handles. A padlock can be fitted.
