### Frequently Asked Questions

- **Q: How do I pair the MESH Intercom Expert with another device?**
  - A: To pair with another device, both devices must be in pairing mode. Follow the instructions in the user manual for specific pairing steps.
- **Q: Can I use the MESH Intercom Expert in different weather conditions?**
  - A: The MESH Intercom Expert is designed to be weather-resistant; however, avoid exposing it to extreme conditions to ensure longevity.

- **Q: How do I charge the device?**

- A: Use the provided charging cable to connect the device to a power source. Ensure the device is powered off during charging.

## Documents / Resources

 <p>The image shows the EJEAS logo at the top left, a QR code at the top right, and a line drawing of the Q7 Universal Handle Controller in the center. Below the drawing is a small black box with white text that reads: 'Control Mode: Remote Control Handle', 'Version: V1.0', and 'Universal Handle Controller'.</p>	<p><a href="#">EJEAS Q7 Universal Handle Controller</a> [pdf] User Manual</p> <p>Q7 Universal Handle Controller, Q7, Universal Handle Controller, Handle Controller, Controller</p>
