EMERSON CompactDAQ Voltage Measurement Bundle Installation Guide

EMERSON CompactDAQ Voltage Measurement Bundle

Specifications

- Brand: NI (now part of Emerson)
- Product Type: CompactDAQ Mounting Accessory
- Compatibility: Various CompactDAQ Chassis models

Product Usage Instructions

Mounting Accessory Selection

Use the provided table to identify the correct mounting accessory for your specific CompactDAQ Chassis model.

Mounting Accessory Images

- **Desktop:** Utilize the NI 9901 mounting kit for easy access to connection terminals on a desk or workbench.
- **DIN Rail:** The cDAQ DIN rail accessory is a clip that attaches to the chassis back and connects to a DIN rail for mounting.
- **Panel:** Use panel mount kits with pre-drilled holes to mount the system in an enclosure or panel for front tool access.

Technical Support

For any assistance or queries related to the mounting accessory or CompactDAQ systems, contact NI support for help.

FAQs

Q: How do I find the right mounting accessory for my CompactDAQ Chassis?

A: Refer to the Mounting Accessory Selection Table provided in the guide. Use CTRL+F on Windows or +F on MacOS to search for your part number.

Q: What is included in the desktop mounting kit?

A: The desktop mounting kit includes the NI 9901 accessory for easier terminal access while working on a desk or bench.

Q: How can I get technical support for NI products?

A: You can reach NI technical support via phone at 03447 11 11 11 (EU/UK) or choose to contact them through email for assistance.

PRODUCT INFORMATION

Overview

Use this guide to select the correct mounting accessory for your CompactDAQ Chassis.

Contents

- Mounting Accessory Selection Table
- Mounting Accessory Images
- Hardware Support

Quick Tip: Use CTRL+F on Windows or ⌘If+F on MacOS to find your part number.

Mounting Accessory Selection Table

- [NI 9905 PN: 779558-01](#)
- [NI 9903 PN: 781722-01](#)
- [PN: 782863-01](#)

DIN Rail

- [NI 9912 PN: 779019-01](#)
- [NI 9915 PN: 779018-01](#)
- [NI 9913 PN: 781740-01](#)
- [NI 9915 PN: 779018-01](#)

Desktop

- [NI 9901 PN: 779473-01](#)
- [NI 9901 PN: 779473-01](#)
- [NI 9901 PN: 779473-01](#)

**Desktop**

Use the NI 9901 mounting kit (above) with your chassis for easier access to connection terminals when working on a desk or workbench.
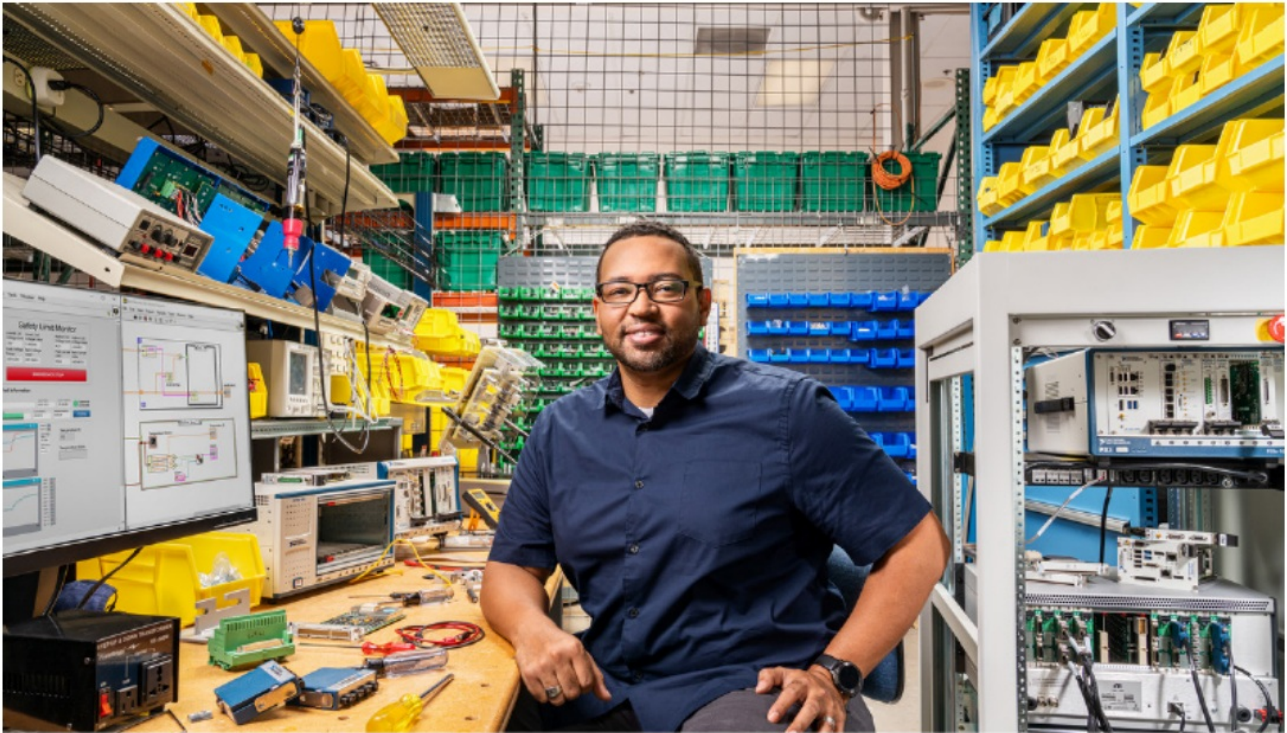

DIN Rail

The cDAQ DIN rail accessory is a clip that connects to the back of the chassis with screws. The clip attaches to your DIN rail.

Panel

Use panel mount kits to mount your system in an enclosure or panel. The accessory kit for the DAQ chassis is a metal plate with pre-drilled holes so you can mount your system with tool access from the front.

Have Confidence in NI Support

All NI hardware includes one year of:

- Repair/replace warranty for manufacturing quality

- Technical product support by your choice of phone or email.
