Enchanted Spaces ES1019 Flameless Candles

Launch Date: July 18, 2019

Price: \$29.99.

Introduction

The Enchanted Spaces ES1019 Flameless Candles are a safe and beautiful option to regular candles. They combine beauty and ease of use. The realistic flickering effect of these LED choices is meant to look like real candles. They create a warm atmosphere without the dangers of open flames. These candles are perfect for homes with kids and pets because they don't cause any harm when used for decoration in living rooms, eating rooms, and even outside. The set has ten white taper candles, a remote control for easy use, and batteries that make it easy to set up. With built-in timers, users can set the lights to turn on and off at certain times. Their portable design lets you choose where to put them, and the painted plastic finish makes them look classy. These flameless candles look great in any room, whether they are used every day or just for special events. Feel the beauty of candles without the trouble or risk of wax and wicks. You can easily and safely make amazing moments with Enchanted Spaces.

Specifications

- **Style:** Taper

Physical Characteristics

- **Finish Type:** Painted
- **Base Material:** Plastic
- **Product Dimensions:** 0.75" Diameter x 0.75" Width x 11" Height

- **Item Weight:** 2.1 pounds

Power and Connectivity

- **Power Source:** Battery Powered (20 AA batteries included)
- **Wattage:** 1 watt
- **Voltage:** 1.5 Volts
- **Connectivity Technology:** Infrared (IR)

Additional Information

- **Included Components:** Remote Control
- **Number of Pieces:** 10
- **Is Discontinued by Manufacturer :** No
- **UPC:** 611138403641
- **Part Number:** ES1019
- **Batteries Included:** Yes
- **Batteries Required:** Yes

Package Includes

- Set of flameless candles (usually includes multiple sizes)
- Remote control (if applicable)
- User manual
- Warranty information

Features

- **Realistic Appearance:**

The Enchanted Spaces ES1019 Flameless Candles are designed to closely mimic the look of traditional candles. They feature a flickering flame effect that creates a warm, inviting ambiance, perfect for enhancing any setting.

- **Complete Package:**

This set includes **10 LED Candles**, ensuring you have plenty to decorate your space. It also comes with a **remote control** for easy operation, which includes **ON/OFF functions** and **Daily Timer settings**. Additionally, the package provides **20 AA batteries** (2 per candle), so you have everything you need to get started. Note that candle holders are sold separately.

- **Safe to Use:**

These flameless candles eliminate the fire hazards associated with traditional candles. They are ideal for use in homes with children and pets, or in places where an open flame is unsafe, like near curtains or in enclosed spaces.

- **Timer Settings:**

The candles come with built-in timer functions, allowing them to automatically turn on and off at designated intervals. Users can select from timers that run for **4, 5, 6, or 8 hours**, making it convenient for daily use.

- **Remote Control:**

The included remote control allows for effortless operation from a distance. This feature is particularly handy for turning the candles on and off without needing to reach for each individual candle.

- **Versatile Decor:**

These candles are perfect for various settings—whether you're decorating your home, planning a wedding, hosting a party, or searching for a thoughtful gift. Their neutral design fits seamlessly into any decor style.

- **Indoor and Outdoor Use:**

Depending on the specific model, many of these flameless candles are suitable for both indoor and outdoor use. This versatility means you can enjoy their ambiance in your living room, patio, or garden without worrying about wind extinguishing the flame.

- **Automatic Daily Operation:**

Once set, the candles can automatically turn on and off every day at the same time. This feature allows you to “set it and forget it,” ensuring a consistent glow without any manual effort. Instructions for setting the timer are conveniently included in the box.

- **Safety and Ease of Use:**

These ivory flameless LED taper candles provide peace of mind, allowing you to decorate safely without the dangers of real flames. They are also wind-resistant, making them perfect for outdoor use without the worry of them blowing out.

• **Satisfaction Guaranteed:**

Enchanted Spaces prioritizes customer satisfaction. If you have any questions or need assistance, their support team is ready to help, ensuring a positive experience with your flameless candles.

Usage

- 1. **Insert Batteries:** Open the battery compartment and insert the required batteries.
- 2. **Turn On/Off:** Use the switch located at the bottom or utilize the remote control.
- 3. **Set Timer (if available):** Choose the desired timer setting for automatic operation.
- 4. **Placement:** Position candles on surfaces like tables, mantels, or windowsills to enhance your decor.

Care and Maintenance

- **Dust Regularly:** Wipe the surface with a soft cloth to keep the candles clean.
- **Battery Replacement:** Replace batteries as needed to ensure optimal performance.
- **Storage:** Store in a cool, dry place when not in use, especially if using outdoors.

Troubleshooting

Issue	Possible Cause	Solution
Candle won't turn on	Batteries not installed correctly	Check battery orientation and reinstall them
	Batteries are depleted	Replace with new batteries
Flickering or inconsistent light	Candle placed on an uneven surface	Ensure the candle is on a stable, flat surface
	Interference from other electronic devices	Move away from other electronics
Timer not functioning	Timer settings not configured correctly	Reset the timer according to the instructions
Remote control not working	Remote batteries are low	Replace remote batteries
	Obstructions between remote and candle	Remove any obstructions
Candle does not respond to remote	Candle is off or switched to manual mode	Ensure the candle is turned on and set to remote mode
	Connectivity issues	Make sure you are within the effective range of the IR remote
Candles don't stay lit for set duration	Timer settings may not be programmed correctly	Check and reprogram timer settings

Pros and Cons

Pros	Cons
Realistic appearance	Requires batteries
Safe alternative to traditional candles	Limited brightness compared to real flames
Convenient remote control	May not work well in direct sunlight
Automatic timer	Some users may prefer real candle scent
