Enerlites MPC-C Ceiling Sensor Surface Mount Adapter

SPECIFICATIONS

Adapter Diameter.....	4"
Adapter Width.....	1/2"
Nipple Size.....	1/2"
Adapter Material.....	ABS thermoplastic
Compatible with.....	MPC-50H

DESCRIPTION

The MPC-C quick installation adapter is a low-profile adapter that allows for the installation of Enerlites's MPC-50H high bay ceiling sensor directly onto the surface of the wallboard or acoustic ceiling panel.

SENSOR DISASSEMBLE ILLUSTRATION

INSTALLATION

- Separate the MPC-50H from its housing.
- Feed the sensor's wires through the MPC-C adapter and out the flex connector.
- Align the "Open" arrow on the MPC-50H to the arrow on the
- MPC-C adapter then twists counter-clockwise to the close position.
- Insert the wires along with the flex connector through the finished ceiling wallboard or acoustic ceiling panel and secure it with the
- provided washer and lock nut. Then follow the sensor's instruction manual to connect the wires

SENSOR ASSEMBLED

WARRANTY INFORMATION

This device is warranted to be free of material and workmanship defects for 2 years from the date of purchase. An original receipt or proof of purchase from an authorized retailer must be presented upon warranty claim. ALL claims must be verified and approved by Enerlites, Inc. Warranties from other Enerlites products may vary. This warranty is non-transferable and does not cover normal wear and tear or any malfunction, failure, or defect resulting from misuse, abuse, neglect, alteration, modification, or improper installation. To the fullest extent permitted by the applicable state law, Enerlites shall not be liable to the purchaser or end-user customer of Enerlites products for direct, indirect, incidental, or consequential damages even if Enerlites has been advised of the possibility of such damages. Enerlites' total liability under this or any other warranty, express or implied, is limited to repair, replacement, or refund. Repair, replacement, or refund are the sole and exclusive remedies for breach of warranty or any other legal theory.
