Product Usage Instructions

Installation Instructions

To install the Enerlites Data-Com with Screwless Decorator Wall Plate, follow these steps:

1. Identify the appropriate model number for your desired configuration. The available model numbers are SI8871, SI8872, SI8873, SI8874, and SI8876.

2. Prepare the wall surface by ensuring it is clean and free from any obstructions.
3. Remove any existing wall plate or cover from the wall.
4. Align the Data-Com wall plate with the desired location on the wall.
5. Using a screwdriver, secure the wall plate to the wall using the provided screws.
6. Once the wall plate is securely attached, you can proceed with connecting the keystone inserts.
7. Snap in the desired keystone inserts into the ports on the wall plate, ensuring a secure fit.
8. Once all the inserts are in place, verify that they are properly aligned and flush with the wall plate.
9. Your installation is now complete. You can now connect your high-speed internet, cable, or satellite TV to the keystone inserts.

Frequently Asked Questions (FAQ)

- Q: What is the wall plate material made of?

A: The wall plate material is made of thermoplastic, ensuring durability and longevity.

- Q: How many ports does the wall plate have?

A: The wall plate has 1 port, allowing for easy connection of phone and data devices.

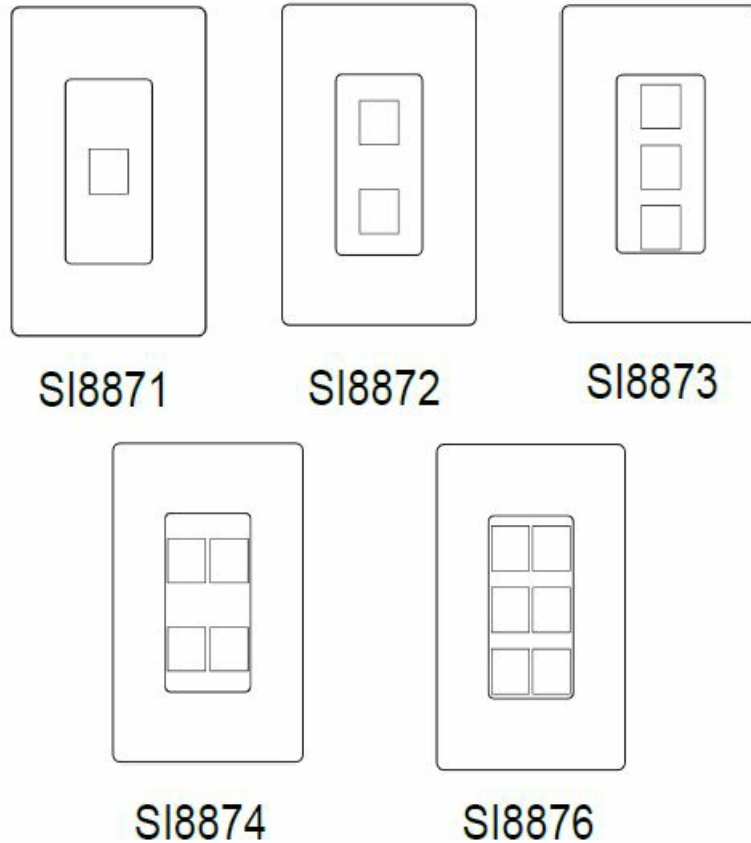

- Q: Can I use this wall plate for audio and video applications?

A: Yes, the wall plate is designed to support audio and video connections through its configuration.

- Q: Are the dimensions provided for the wall plate?

A: Yes, the dimensions provided are for the wall plate itself. It measures 4.69 in. H x 2.94 in. W x .27 in. D.

WARRANTY INFORMATION

This device is warranted to be free of material and workmanship defects for 1 year from the date of purchase. An original receipt or proof of purchase from an authorized retailer must be presented upon warranty claim. ALL claims must be verified and approved by Enerlites, Inc. Warranties from other Enerlites products may vary. This warranty is non-transferable and does not cover normal wear and tear or any malfunction, failure, or defect resulting from misuse, abuse, neglect, alteration, modification, or improper installation. To the fullest extent permitted by the applicable state law, Enerlites shall not be liable to the purchaser or end-user customer of

Enerlites products for direct, indirect, incidental, or consequential damages even if Enerlites has been advised of the possibility of such damages. Enerlites' total liability under this or any other warranty, express or implied, is limited to repair, replacement or refund. Repair, replacement or refund are the sole and exclusive remedies for breach of warranty or any other legal theory.
