Length: 0.2 m
Material: PVC
Weight: 13 g

Package content

1x Epico USB-C Hub Multiport 8IN1
1x USB-C cable
1x User instructions

User instructions

1. Always make sure this HUB is compatible with your device before you start using it.
2. Connect the HUB to your device using the integrated cable with the USB-C connector first.
Connect other devices to the given ports only after you have already connected the HUB.
3. Always save all your work prior to disconnecting the HUB from your device (i.e. prior to disconnecting the USB-C HUB).

USB-C Hub Multiport 8IN1

1. Remove the hub from the stand by gently pulling upwards.
2. Always follow the position shown in the illustration to place the hub back in the stand.
3. The USB-C cable has a power-off feature that saves your laptop battery. All other functions of the hub will remain active.

To connect the hub and your laptop, please use the USB-C port closer to the HDMI port.

Important

Never disconnect the HUB when it is in use. Your data could become lost due to the connection interruption.

Safety Precautions

Thoroughly study the below stated safety instructions and operation instructions. You will thus prevent possible device damages or personal injuries.

1. Make sure the product does not fall, does not, intentionally or unintentionally, break, bent or flexes, or does not incur other physical deformations that could negatively impact of its functionality.
2. Do not attempt to dismantle the product or to breach it in some other manner.
3. Connect only those devices to the HUB, which have been designed for it.
4. Verify mutual compatibility of your device with the HUB prior to using the HUB.
5. Pay an increased attention to its sufficient distance from heat sources; exposure to temperatures higher than 45 °C could result in a damage of the device.
6. Do not expose the product to high humidity.
7. The product can become hot when being used. That is why you should pay an increased attention to possible extreme overheating. Should this happen, immediately disconnect the HUB and contact a technician.
8. Always disconnect all devices and particularly the power cable after using the HUB.
9. Keep the product outside of reach of children.

Exclusion of responsibility

This USB-C Hub Multiport 8IN1 has been designed exclusively for connections with suitable devices. Always verify mutual compatibility of any new device and the HUB prior to using the HUB.

The manufacturer is not responsible for any damages caused by using the product in a different manner than specified in these instructions, i.e. particularly by its incorrect use or by not respecting the given recommendations and warnings.

This symbol on the product or in the accompanying documentation indicates that the product must not be considered a regular municipal waste and must be disposed of in accordance with local regulations. Pass this product for environmentally safe disposal.

Proper disposal of this product protects the environment. For more information, contact your local municipal waste disposal office, the nearest collection point or your dealer.

This product complies with all the essential requirements of the EU directives that apply to it.
