EPSON®

ColorWorks™ Label Printers

Do Labels Differently™

ColorWorks on-demand color label printers are the ideal solution for your business's labeling needs. Powered by PrecisionCore® technology, these innovative printers seamlessly integrate with your existing workflow to produce eye-catching and stunning high-quality labels with single-step color printing simplicity.

Streamline Labeling

- Boost efficiency by replacing two-step printing with single-step, on-demand color label printing
- Eliminate the challenges and potential waste associated with preprinted media
- Print what you need—when you need it

Elevate Brand Awareness

- Flexible customization without relying on preprinted designs
- Colorfully highlight promotions and details
- Stunning, high-resolution labels

Operate Efficiently

- Durable, permanent PrecisionCore printheads are engineered for the life of the product
- No need to replace ribbons or thermal printheads
- Efficient ink usage and low power consumption support a low total cost of ownership (TCO)

PrecisionCore Technology

- Simplified printing technology for reliable performance
- Outstanding image quality
- PrecisionCore Heat-Free™ technology supports low power consumption

1. Printing in Max. Speed Mode, 300 × 600 dpi resolution, 4" (101.6 mm) print width. Print speeds are based on the print engine speed only. Total throughput time for any label depends on factors including label size, file size, print resolution, speed of data transmission, etc. |
2. Printing in Max. Speed Mode, 300 x 600 dpi, 3.6" (92 mm) print width. |
3. Printing in full 1200 x 600 resolution. |
4. Part of the ink from the first cartridges/packs is used for initializing the printer. Ink usage will vary considerably based on images printed, print settings, paper type, frequency of use, temperature and humidity. Variance may be more pronounced when printing infrequently or predominantly with one ink color. Ink is used for printing and printer maintenance, and all colors must be available for printing. For print quality, a variable amount of ink remains after the "replace ink" indicator comes on. |
5. Internet connection required for software download. Available for Windows only. See User's Guide for details. |
6. Product comes with a limited warranty with the option to purchase extended service plans up to a total of 5 years of continuous coverage. Limited warranty length varies by model.
