## Product Highlights

- Versatile flatbed scanner with ADF; auto duplexing
- Scan stacks of documents up to 25 ppml; 50-page ADF
- 3-year limited warranty<sup>3</sup> with Advance Exchange
- Seamless integration — TWAIN/ISIS drivers
- Scan to storage accounts like Dropbox and more<sup>2</sup>
- Resolution: 1200 x 1200 dpi

## Overview

### The affordable, versatile flatbed scanner with ADF for more productivity

Streamline workflows and increase productivity with the DS-1630 document scanner. Combining a flatbed scanner with the convenience of a 50-page ADF, this affordable solution is ideal for virtually any task. Use the flatbed for IDs, passports, booklets, fragile items and more. Offering speeds up to 25 ppm<sup>1</sup>, plus auto-duplexing, the DS-1630 also includes TWAIN and ISIS® drivers for seamless integration with e or online storage accounts<sup>2</sup> with one touch. Plus, the included software suite features Epson Document Capture.

#### Automatic Two-Sided Scanning

25 ppm Auto Document Feeder

#### Automatic Document Feeder

Easily scan stacks of documents with the built-in 50 page automatic document feeder

#### 3-Year Warranty

Enjoy peace of mind with Next-Business-Day Replacement

#### OCR

Recognizes text characters in a scanned image and can be used to create a searchable text layer for a PDF or convert scanned pages into editable text

- Versatile scanning from a leader in image capturing technology — auto-duplex scanning through the Auto Document Feeder (ADF), plus a flatbed for photo IDs, passports, fragile items and more
- Scan stacks of documents up to 25 ppm<sup>1</sup> — features a 50-page ADF
- Seamless compatibility with document management systems — includes TWAIN and ISIS drivers for easy integration with existing software
- Scan to online storage accounts<sup>2</sup> — intuitively scan to Dropbox®, SharePoint®, Evernote®, FileBound and Google Drive™
- Organize easily with the included software suite — also features Epson Document Capture Pro
- Streamline your workflow — easy, one-touch scanning to folders, email, online storage accounts<sup>2</sup> and more
- Scan originals in a variety of sizes — up to 8.5" x 11.7" on the flatbed and up to 8.5" x 14" using the ADF
- Generate searchable and editable files — scan to editable Word and Excel® files<sup>3</sup> or searchable PDF files; OCR software included
- Intelligent color and image adjustments — auto crop, skew correction, blank page and background removal with Epson Image Processing Technology
- Send scans to any computer on your network — optional Network Interface Unit available for workgroup sharing

#### Easy Reliable Digitizer with plenty of functionality

GoDigital

a year ago

Excellent quality scans with well functioning software. ADF double sided works very well. Skew correction is great as well as adjustable gamma/contrast/brightness for faded receipts. I find 70% PDF compression quality is just right for digitized appearance + OCR accuracy and file size. One minor gripe is that the mini rubber pads on bottom of scanner are too small to keep unit from moving/sliding on a flat surface if bumped after slim pads accumulate some dust. Solution: bought cheap large rubber pads at homedepot (...no I'm not gonna dust off the table).

☑ Yes, I recommend this product.

**Good Scanner for price for small office**  
Thecpaman  
3 years ago  

I am a CPA and purchased this scanner to scan my client's documents for my files. This scanner is easy to use and very fast for it's size and cost. I am very happy with it.

👍 Yes, I recommend this product.

**Excelent double sided scanning**  
DinahT  
3 years ago  

Speed, Quality, reliability. We retired the previous version and it was still working well, all be it slow with no double sided scanning. We are in Information Systems and highly recommend this product especially for digitizing paper files.

👍 Yes, I recommend this product.

**Will not work constantly. Very bad on dependability!**  
whmalpass  
3 years ago  

I am disgusted with the fact I can not tell when it will work and when it will not. The calls take for ever on the phone with the company and for some reason they never call back when the computer system takes a number. I have purchased two of these units and neither one of them are dependable! I have always owned EPSON since they came out, but I can assure you this is the very last one I am wasting my money on!

👎 No, I do not recommend this product.
