EPSON WF-C5390 Series WorkForce Color Printer User Manual

Contents

EPSON WF-C5390 Series WorkForce Color Printer
Product Information

The product is a printer that can be set up on a Windows computer. The contents of the printer may vary by location. USB cable should only be connected if instructed in the instructions.

The printer comes with ink supply units that cannot be saved for later use. The initial ink supply units are partly used to charge the print head and may print fewer pages compared to subsequent ink supply units.
Product Usage Instructions

1. Remove all protective materials from the printer.

2. Open the printer.

3. Press the BK ink tray and pull it out.

4. Shake the ink supply unit 10 times well.

5. Fit the ink supply unit into the ink tray.

6. Insert all of the ink supply units in the order Y, M, C, and close the tray.

7. Load plain paper into the paper cassette with the printable side facing downwards. Do not load paper above the d arrow mark inside the edge guide.

8. Set the paper size and paper type for the paper cassette. These settings can be changed later.

9. Refer to the user manual or Epson video guides for printer setup instructions. For information on using the printer, see the User's Guide on Epson's website. Select Support to access the manuals.
Contents may vary by location.

Windows

Do not connect a USB cable unless instructed to do so.
