The screenshot shows the ESAB Connect web interface. On the left is a dark sidebar menu with options: Connectivity status, Detailed information, Software upgrade, System, Configur (with a red circle '1' over it), Settings (highlighted with a red box), User settings, NTP server Settings, Factory reset, and Get started. The main content area has a Language dropdown set to English. Below this, the 'ESAB Connect' section is highlighted with a red box and a red circle '2'. It contains the text 'Enable ESAB Connect' followed by a toggle switch that is currently turned 'On'. Below this is a 'Change password' section with three input fields: 'Old password', 'New password', and 'Repeat password', each with a password visibility icon.
