Espressif Systems HexTile Talking Dog Buttons Instruction Manual

What's included

1. Base HexTile
 2. Buttons (6)
 3. Button covers (6) Sticker sheet
 4. Faceplate fasteners (6) (to be used with Faceplates, not included)
- This manual USB Charging cable

Requirements

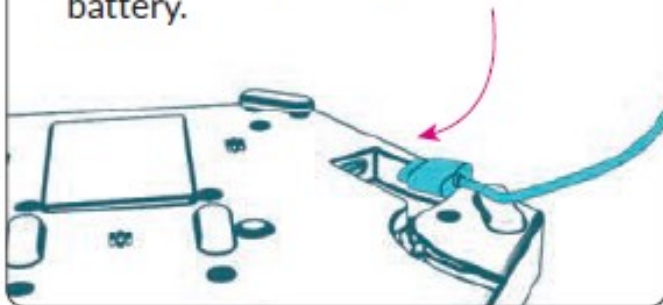

Networking requirements: A smartphone supporting iOS 12 or later, or Android 10 or later. The FluentPet Connect System connects directly to your home's WiFi network (wireless 802.11g standard—at 2.4 GHz; WEP, WPA or WPA2 personal security; Automatic (DHCP) IP setup (static IP configuration is not supported).

Connecting your Base HexTile

1

Connect the USB cable to the Base HexTile and a **USB charger** (not included) to fully charge the battery.

2

Download and install the **FluentPet app** to your phone or tablet. Follow the on-screen prompts.

flnt.pt/app

3

Press the setup button on the back. The **WiFi connect light** on the Speaker will flash. Follow the steps in the app to connect your Base HexTile to your WiFi network.

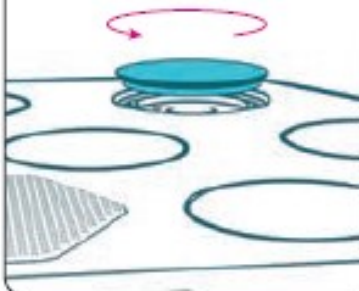

Tip: Start with just one button until your learner is ready for the next one.

Be patient—adding more buttons is a good thing, but some learners can get overwhelmed, so be careful about adding too many at once.

Installing your first button

1

Remove one of the **Button covers**.

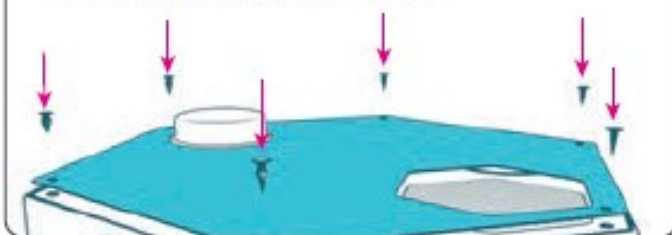

Then, add a **Button**

2

Optionally, you can add a **Faceplate** (sold separately). Pull out the **Faceplate fasteners**, place the Faceplate on the Tile, and re-insert the fasteners

Adding more buttons

1

If you have a Faceplate installed, remove it first by pulling out the **Faceplate fasteners**. Punch out a corresponding **circular tab**.

2

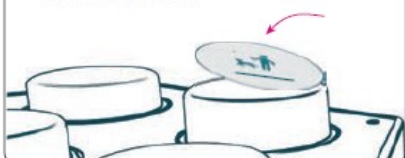

Remove one of the **button covers** and replace it with a **button**. If you use a Faceplate, mount it back on.

3

In the FluentPet app, record a new word and assign it to the newly installed button.

As a visual reminder of which sound you have associated with which button, you can add a sticker from the **Sticker sheet**.

Additional Faceplate covers are recommended. The covers let you change the color of your Base HexTile, which can help your learner remember and locate HexTiles.

Order them through the app or at fluent.pet

Additional tips

You can save the packaging provided to store your buttons, button covers, and extra fasteners.

Use the FluentPet app to track your learner's progress and receive notification when your learner is using their buttons.
