## DISCLAIMER

This installation guide is provided for informational purposes only. We are not responsible for any damages or injuries resulting from improper installation or use of this product. It is essential to follow all safety guidelines and maintain safe installation habits. We strongly recommend that you consult with or hire a professional installer to ensure proper installation. Use this guide at your own risk.

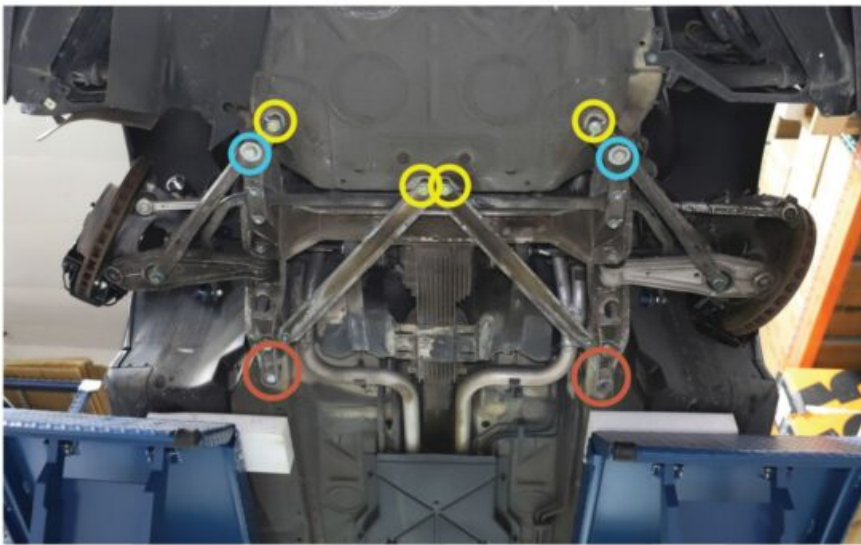

If you have an early model 996, you may end up with 2 additional spacers and bolts. You will not need these as they are for later models with a different subframe.
