Gridtwin Energy Inc. Terms of Service

This software-as-a-service Terms of Service Agreement (this "**Agreement**") is a binding contract between you ("**Customer**") and Gridtwin Energy Inc. ("**Provider**"). This Agreement governs your access to and use of the software-as-a-service.

THIS AGREEMENT TAKES EFFECT WHEN YOU CLICK THE ["I ACCEPT"] BUTTON BELOW OR BY ACCESSING OR USING THE SOFTWARE-AS-A-SERVICE ("the **Effective Date**"). BY CLICKING ON THE ["I ACCEPT"] BUTTON BELOW OR BY ACCESSING OR USING THE SOFTWARE-AS-A-SERVICE YOU (A) ACKNOWLEDGE THAT YOU HAVE READ AND UNDERSTAND THIS AGREEMENT; (B) REPRESENT AND WARRANT THAT YOU HAVE THE RIGHT, POWER, AND AUTHORITY TO ENTER INTO THIS AGREEMENT AND, IF ENTERING INTO THIS AGREEMENT FOR AN ORGANIZATION, THAT YOU HAVE THE LEGAL AUTHORITY TO BIND THAT ORGANIZATION; AND (C) ACCEPT THIS AGREEMENT AND AGREE THAT YOU ARE LEGALLY BOUND BY ITS TERMS.

IF YOU DO NOT AGREE TO THESE TERMS, PLEASE SELECT THE ["I DECLINE"] BUTTON BELOW. IF YOU DO NOT ACCEPT THESE TERMS, YOU MAY NOT ACCESS OR USE THE SOFTWARE-AS-A-SERVICE.

I. Definitions.

(a) "**Aggregated Statistics**" means data and information related to Customer's use of the Services that is used by Provider in an aggregate and anonymized manner, including to compile statistical and performance information related to the provision and operation of the Services.

(b) "**Authorized User**" means Customer's employees, consultants, contractors, and agents (i) who are authorized by Customer to access and use the Services under the rights granted to Customer pursuant to this Agreement and (ii) for whom access to the Services has been purchased hereunder.

(c) "**Customer Data**" means[, other than Aggregated Statistics,] information, data, and other content, in any form or medium, that is submitted, posted, or otherwise transmitted by or on behalf of Customer or an Authorized User through the Services.

(d) "**Documentation**" means Provider's [user manuals, handbooks, and guides relating to the Services provided by Provider to Customer either electronically or in hard copy form][end user documentation relating to the Services available at {Invalid hyperlink URL}].

(e) "**Provider IP**" means the Services, the Documentation, and any and all intellectual property provided to Customer or any Authorized User in connection with the foregoing. For the avoidance of doubt, Provider IP [includes Aggregated Statistics and any information, data, or other content derived from Provider's monitoring of Customer's access to or use of the Services, but]does not include Customer Data.

(f) "**Services**" means the software-as-a-service offering provided by Provider under this Agreement that is described in Customer's service agreement.

1. If you choose to create a new organization, input your organization name
2. This is the name other users will see in the Gridtwin software
3. Select 'Create'
4. Note that only users with the same email address can join your organization. For example, matt@gridtwin.energy can only join organizations that share the email domain 'grid win.energy'

export control laws, including the US Export Administration Act and its associated regulations. Customer shall not, directly or indirectly, export, re-export, or release the Service or the software or technology included in the Services to, or make the Services or the software or technology included in the Services accessible from any jurisdiction or country to which export, re-export, or release is prohibited by law, regulation, or rule. Customer shall comply with all applicable federal laws, regulations, and rules, and complete all required undertakings (including obtaining any necessary export license or other governmental approval), that prohibit or restrict the export or re-export of the Services or any Customer Data outside the US.]

(k) **US Government Rights.** Each of the Documentation and the software components that constitute the Services is a "commercial item" as that term is defined at 48 C.F.R. § 2.101, consisting of "commercial computer software" and "commercial computer software documentation" as such terms are used in 48 C.F.R. § 12.212. Accordingly, if Customer is an agency of the US Government or any contractor thereof, Customer only receives those rights with respect to the Services and Documentation as are granted to all other end users, in accordance with (a) 48 C.F.R. § 227.7201 through 48 C.F.R. § 227.7204, with respect to the Department of Defense and their contractors, or (b) 48 C.F.R. § 12.212, with respect to all other US Government users and their contractors.

(i) **Equitable Relief.** Each party acknowledges and agrees that a breach or threatened breach by such party of any of its obligations under Section 6 or, in the case of Customer, Section 2(d), would cause the other party irreparable harm for which monetary damages would not be an adequate remedy and agrees that, in the event of such breach or threatened breach, the other party will be entitled to equitable relief, including a restraining order, an injunction, specific performance, and any other relief that may be available from any court, without any requirement to post a bond or other security, or to prove actual damages or that monetary damages are not an adequate remedy. Such remedies are not exclusive and are in addition to all other remedies that may be available at law, in equity, or otherwise.
