## HOW TO SWAP KEYS & SWITCHES

1. STEP-1

   Use the Key Cap Puller to gently remove the desired Key Cap.

2. STEP-2

   Remove the existing Switch using the Switch Puller. Ensure to orient the Switch Puller so as to engage the clips on the Switch.
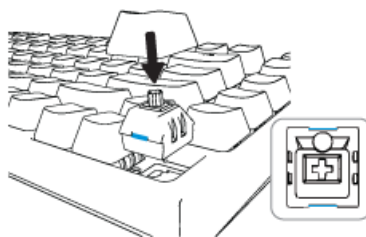

3. STEP-3

   Place the Replacement Switch in the same orientation as the removed Switch, ensuring that the Legs are not being bent. Press down firmly.
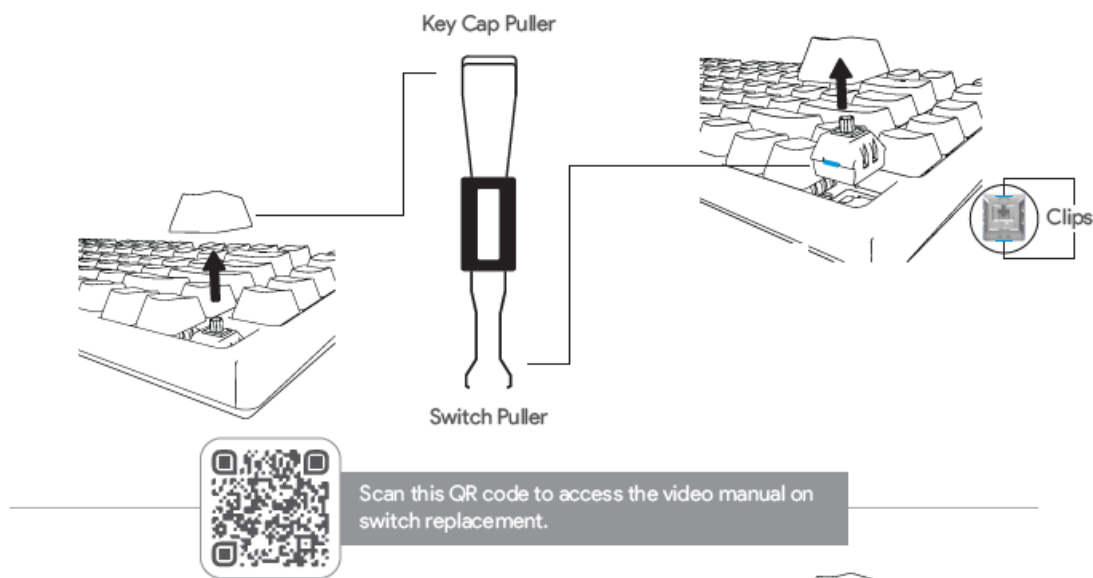

4. STEP-4

   Place the removed Key Cap back on to the replaced Switch and press down firmly.

WARRANTY STATEMENT

- Amkette EvoFox Katana X2 TKL Gaming Mechanical Keyboard is backed by a 1 year performance warranty against any manufacturing defects in material or workmanship from the date of original purchase. This warranty entitles the purchaser to get the product repaired or replaced at its discrete under the following conditions:
- The warranty applies to the original purchaser. Proof of original purchase is required.
- The warranty does not cover the damage caused by misuse, abuse or improper storage.
- In no event shall Amkette be responsible for any direct, incidental, consequential or other damages of any kind.
- Please contact our Technical Support Line and/or send the defective product, postage pre-paid, together with the proof of purchase to our Customer Care Service Center to avail warranty service. Return postage will be paid by us.
