**EXIT TOYS MPL-U002-V01 Pool Ladder**

## Product Information

### Specifications

- Product Name: Pool Ladder
- Model: MPL-U002-V01
- Manufacturer: EXIT Toys

## Product Usage Instructions

### Assembly and Installation

Before starting with the assembly, ensure all parts are present. Do not proceed if any pieces are missing; contact the place of purchase for assistance or visit [www.exittoys.com](http://www.exittoys.com). Follow the steps outlined in the assembly manual for the correct assembly of the ladder.

### Usage and Maintenance

Regularly inspect the ladder before each use and replace any worn, defective, or missing parts immediately to prevent serious injuries.

### Warranty

The pool ladder comes with a 6-month warranty starting from the date of purchase invoice.

## Frequently Asked Questions (FAQ)

- **Q: Can the pool ladder be left outside during the winter?**

A: It is recommended to disassemble all components of the pool ladder during the off-season (winter months), dry them thoroughly, and store them in a dry location out of children's reach.

- **Q: How often should I inspect the ladder for maintenance?**

A: It is advised to inspect the ladder before each use and replace any worn, defective, or missing parts immediately to ensure safety.

## Outdoor fun, games and sports for everyone

Making outdoor toys that everyone can have fun with. It was in this spirit that the founding partners began developing outdoor toys under the name EXIT Toys in 2011. There is one thing we are still sure of: fun comes first! With its unique items, EXIT Toys encourages the whole family to go outside and play together, engage in sports and have lots of fun.

Years of challenging outdoor fun!

The best adventures are had outside; by children, young people and adults alike. At EXIT Toys, we are convinced that good products add to the experience. Because the cooler, better-looking and more challenging the item, the more fun everyone has with it. That's precisely why the design of our products comes first. We are always looking for just that little bit extra.

### Safety first

We do everything we can to develop products that are safe for everyone. For us it is a matter of course that our products meet the highest consumer safety standards. Before launching a product on the market, we have independent and expert tests carried out to obtain the necessary certification. We also carry out continuous checks during production and stay informed of the latest legislative and regulatory developments. You will only find products that meet EXIT Toys' strictest standards in our range.

### Do you have a question or comment? We will be happy to help!

We really appreciate you being our customer and thank you for your confidence in EXIT Toys and our products. As we are open to your views, we welcome your comments and ideas. So that we can further improve, develop and expand our products.

Visit the world of EXIT Toys at [www.exittoys.com](http://www.exittoys.com) and also discover our other exciting and cool outdoor products that will provide you with years of entertainment. Or simply contact us at [info@exittoys.com](mailto:info@exittoys.com) We will be happy to provide you with personal advice.

Go Play Outside!

### EXIT Toys Team

#### Safe use

Carefully read, understand and follow all information in this user manual before installing and using the swimming pool ladder. These warnings, instructions and safety guidelines address some common risks of water recreation, but they cannot cover all risks and dangers in all cases. Always use caution, common sense, and good judgment when enjoying any water activity. Retain this information for future reference.

#### Warnings

- WARNING. For outdoor and domestic use only.
- WARNING. This ladder is designed and manufactured for entering and leaving a swimming pool with a specific wall and/ or deck height. Do not use with other pools and/ or for other purposes.
- Adult assembly required.
- WARNING. Choking hazard. Keep small children away during assembly.
- WARNING. Continuous, active and vigilant supervision of weak swimmers and non-swimmers by a competent adult is required at all times (remembering that children under 5 are at the highest risk of drowning). Never swim/bathe in the pool alone.
- Always assist children when they use the ladder to avoid falls and/ or serious injuries.
- Always face the ladder when entering or leaving the pool.
- Do not allow swimming under, through or behind the ladder.
- WARNING. Maximum load 120kg (265lbs).

- Removable ladders and/ or other access devices shall be placed on a horizontal surface.
- Do not allow bathers in the pool unless the area is sufficiently bright or lighted. Make sure all safety signs, ladders, pool floor and walkways are sufficiently illuminated.
- **WARNING.** Never permit diving or jumping into the pool from the ladder. The water level in your pool is extremely shallow and is not suitable for these activities. Not following these instructions can result in serious injury or even death.
- Only one user on the ladder at a time.
- Remove and secure ladder when pool is not occupied.

## **Assembly and installation**

Before starting with the assembly, check for missing parts, see assembly manual. Do not start assembly if any pieces are missing but please contact place of purchase for assistance. Or go to [www.exittoys.com](http://www.exittoys.com). Follow the steps in the assembly manual for a proper assembly of the ladder.

## **Usage and maintenance**

Failure to follow the maintenance instructions and warnings may result in adverse health effects or injury, particularly to children.

- **WARNING.** Inspect the ladder before each use and replace worn, defective or missing parts immediately. Worn, defective or missing parts can cause serious injuries.
- **WARNING.** Check all nuts and bolts regularly to ensure the ladder stays sturdy.
- When not in use, store ladder in safe and dry place.
- During storage, never place/ store materials on ladder.
- Keep ladder clean and free of all foreign materials.
- Do periodic maintenance on screws; when the ladder is not in use, apply some anti-rust oil on them.
- Pool ladder shall not be used in temperatures below -5°C. It is recommended to remove pool ladder from the swimming pool during the off season (winter months). Disassemble all the components and dry thoroughly. Store in a dry location out of children's reach.

## **Warranty**

1. After the date of the purchase invoice, the owner of the EXIT product has a:
  - 6-month warranty on the pool ladder.
2. The warranty becomes defunct if:
  - This product is used incorrectly and/or carelessly and is used in such a way that it does not comply with its purpose.
  - This product is not assembled and maintained according to the instruction booklet.
  - Technical repairs are performed without consultation with the supplier.
  - Parts, which are mounted afterward, do not comply with the technical specifications of the product concerned or are mounted incorrectly.
  - Defects are a result of climatic influences such as corrosion, UV rays or normal disintegration.
3. The warranty only applies when proof, accompanied by original purchase invoice, is presented to the EXIT toys customer service or an EXIT Toys dealer.

4. In case of material and construction defects that have been ascertained by EXIT Toys, the product or its components will be repaired or replaced – according to its choice – free of charge during the warranty period mentioned in Article 1.
5. If the claim for warranty is not justifiable, all the costs are at the expense of the owner.
6. The EXIT Toys products are designed for domestic and outdoor use. It is not permitted to rent out or place the toy in public areas like schools or day-care centers or sporting facilities. The warranty and any other liabilities shall expire if the toy is rented out or used in public areas.
