## FAQs

### Can I charge my smartphone on it while I work?

Yes, it supports Qi wireless charging at 10W and also has a USB-A port (5V/1A) to charge your phone or other devices.

### Can I adjust the light color and brightness?

Absolutely. It offers three color temperature presets (warm to cool) and five brightness levels, all adjustable via touch controls.

### What additional features make this more than just a pit light?

In addition to adjustable LED lighting, it features a built-in LCD showing time, calendar, and ambient temperature, plus an alarm clock, a foldable phone bracket, and multiple charging options – making it a true multi-function desk or pit companion.
