FENGÉ F210 Frida Series Large Monitor Stand

IMPORTANT SAFETY INSTRUCTIONS

- Read the entire instruction manual before you start installation and assembly. If you have any questions regarding any of the instructions or warnings, please contact your local distributor for assistance.
- **CAUTION:** Use with products heavier than the rated weights indicated may result in instability causing possible injury.
- Mounts must be attached as specified in assembly instructions. Improper installation may result in damage or serious personal injury.
- Safety gear and proper tools must be used. This product should only be installed by professionals.
- Make sure that the supporting surface will safely support the combined weight of the equipment and all attached hardware and components.
- Use the mounting screws provided and DO NOT OVER-TIGHTEN mounting screws.
- This product contains small items that could be a choking hazard if swallowed. Keep these items away from children.
- This product is intended for indoor use only. Using this product outdoors could lead to product failure and personal injury.

IMPORTANT: Ensure that you have received all parts according to the component checklist prior to installation. If any parts are missing or faulty, telephone your local distributor for a replacement.

MAINTENANCE: Check that the bracket is secure and safe to use at regular intervals (at least every three months).

Product Usage Instructions

1. Identify and lay out all components as per the list provided in the manual.
2. Use the wrench to assemble the parts together. Ensure all screws are tightened securely.

- 3. Do not tighten the F-screw excessively to avoid damaging the product.
- 4. Follow the provided diagram for correct assembly sequence.

FAQs

- **Q: How do I know if I have assembled the product correctly?**
 - **A:** Ensure all screws are tightened securely and the components are aligned according to the diagram provided in the manual. If in doubt, refer back to the assembly instructions.
- **Q: What should I do if I am missing a component?**
 - **A:** Contact customer support with your order details and they will assist you in obtaining the missing part.
- **Q: Can I use additional tools for assembly?**
 - **A:** It is recommended to only use the tools provided or specified in the manual to avoid damaging the product.
