Product Usage Instructions

The BGRV3-3048H Range Backguard is designed to be used with 48 V3 Professional Dual Fuel, Induction & Gas Ranges. Follow the steps below for proper installation:

1. Ensure that the installation area has a non-combustible surface.
2. Carefully unpack the backguard and remove any protective packaging.
3. Position the backguard against the wall behind the range.
4. Using appropriate screws and tools, securely fasten the backguard to the wall. Make sure it is level and properly aligned.
5. If included, attach the utensil rail and plate racks to the designated slots on the backguard.
6. Double-check all connections and ensure everything is tightened properly.
7. Refer to the range's user manual for further instructions on connecting the range to the backguard.
8. Once the installation is complete, clean the backguard using mild detergent and a soft cloth. Avoid using abrasive cleaners that may damage the stainless steel surface.

For any questions or concerns regarding the installation or usage of the BGRV3-3048H Range Backguard, contact Fisher & Paykel's Customer Support at T 1.888.936.7872 or visit their website at www.fisherpaykel.com.
