# **FISHER & PAYKEL**

**FISHER AND PAYKEL CI604DTTB1 60cm, 4 Zones with SmartZone Primary Modular Induction Cooktop**

## Specifications

- Product: Primary Modular Induction Cooktop
- Model: CI604DTTB1
- Size: 60cm
- Zones: 4 with SmartZone
- Series: 9
- Color: Minimal Black
- Dimensions:
  - Height: 62 mm
  - Width: 600 mm
  - Depth: 530 mm

## Product Information

The Primary Modular Induction Cooktop is designed to seamlessly integrate with auxiliary cooktop and teppan modules. It features a 6-inch touchscreen and precision induction technology for effortless control and perfect cooking results. The cooktop allows for flexible cooking area arrangements and comes with a Wireless Temperature Sensor for real-time monitoring of food.

## Features & Benefits

- **Modular Design Freedom:** Achieve complete design freedom by integrating cooktops of various sizes into your cooking space to suit your patterns of use.
- **Complementary Design:** Available in grey or black finishes, the Minimal style cooktop effortlessly complements your kitchen's aesthetics.
- **Centralized Touchscreen Control:** The 6-inch touchscreen interface allows you to manage all modular cooktops, auxiliary cooktops, and modules from one central hub.

- **Mastery Of Temperature:** Precision induction technology provides mastery over temperature control for perfect cooking results.
- **Superior Efficiency:** Induction cooking is energy-efficient as it only heats the cookware, not the cooktop surface.
- **SmartZone:** Links two cooking zones to handle larger pans and food items, streamlining the cooking process.

## Product Usage Instructions

1. Ensure the cooktop is properly installed according to the manufacturer's instructions.
2. Power on the cooktop using the intuitive touchscreen display.
3. Select the desired cooking zone or activate SmartZone for combined zone control.
4. Place compatible cookware on the cooking zone and adjust the temperature as needed using the touchscreen controls.
5. Clean the flat easy-clean glass surface after each use for maintenance.

## FAQ

- **Q: Can I use any type of cookware on the induction cooktop?**
  - **A:** No, only cookware that is induction-compatible can be used on the induction cooktop.
- **Q: How do I clean the cooktop surface?**
  - **A:** Use a soft cloth with mild detergent to clean the flat glass surface of the cooktop. Avoid abrasive cleaners that may scratch the glass.
- **Q: What is SmartZone and how does it work?**
  - **A:** SmartZone links two cooking zones together, allowing you to use large pans or griddles across both zones as if they were one, providing flexibility in cooking larger food items.

## Product Information

Create the ultimate culinary solution. Designed to seamlessly integrate with the auxiliary cooktop and teppan modules, this primary cooktop features an intuitive 6" touchscreen and precision induction technology, for effortless control and perfect results.

- Select and distribute modular cooktops according to your patterns of use
- Choose from a grey or black glass finish to suit your kitchen design
- Effortlessly control all cooktops via the 6" touchscreen, for a unified cooking experience
- Includes our Wireless Temperature Sensor for precisely monitoring your food in real time

## DIMENSIONS

- Height 62 mm
- Width 600 mm
- Depth 530 mm

## FEATURES & BENEFITS

### Modular Design Freedom

Achieve complete design freedom with our range of modular cooktops. Seamlessly integrate cooktops of various sizes into your cooking space, tailoring the setup to suit your patterns of use. This design flexibility allows you to optimize space and flow, creating a kitchen that perfectly aligns with the way you live, cook and entertain.

### Complementary Design

Available in both grey and black finishes, our Minimal style modular cooktops effortlessly complement your kitchen's aesthetics. Designed to match our touchscreen ovens in both style and functionality, they offer a unified cooking experience. The flush installation ensures seamless integration into modern kitchen spaces.

### Centralized Touchscreen Control

The 6" touchscreen interface is your centralized hub for all modular cooktops. Effortlessly manage auxiliary cooktops, downdraft and teppan modules, providing a streamlined cooking experience. This single screen allows you to control all cook zones and connected ventilation, ensuring a clean and sleek kitchen aesthetic. Refined on-glass graphics and the absence of physical dials further elevate our Minimal style aesthetic.

### Mastery Of Temperature

Fisher & Paykel induction cooktops are designed for precision, delivering mastery of temperature. Whether you're grilling steaks, simmering sauces, or crafting delicate stir-fries, you can seamlessly transition from high heat to a gentle simmer for perfect results every time.

### Superior Efficiency

Less heat is wasted during induction cooking because only the cookware is heated, not the cooktop surface. This makes induction cooking more energy-efficient than electric or gas cooktops.

### Flexible Cooking Area

SmartZone links two cooking zones and controls them as one, giving you the flexibility to use large pans and griddles and easily handle bigger food items, such as a whole fish. SmartZone streamlines the cooking process and allows you to explore different culinary techniques with ease.

## **SPECIFICATIONS**

### **Accessories (included)**

- Wireless temperature sensor 1

### **Cleaning**

- Flat easy clean glass surface •

### **Controls**

- Intuitive touchscreen display •
- Minute timer •
- Multi-language display •

### **Performance**

- Induction cooking technology •
- PowerBoost •
- SmartZone •

### **Power requirements**

- Connection Terminal block, 1
- N or 2 N
- Service 32 A
- Supply 220-240 V, 50
- Hz / 60 Hz

### **Product dimensions**

- Depth 530 mm
- Height 62 mm
- Width 600 mm

### **Safety**

- Keylock •
- Pan detection system •
- Safety time out •

- Surface hot indicators •

## Warranty

- Parts and labour 2 years

## Zone ratings

- Left front zone (PowerBoost set) 2100 (3700)
- Left rear zone (PowerBoost set) 2100 (3700)
- Right front zone (PowerBoost set) 2100 (3700)
- Right rear zone (PowerBoost set) 2100 (3700)

## Zones

- Number of zones 4
- SKU 82813

## Where applicable:

All appliances use energy, and energy usage typically generates carbon emissions. Fisher & Paykel Appliances' In-use Energy Carbon Emissions Estimate indicates carbon emissions from a product's in-use energy. This is calculated either annually or per cycle, using the product's market-specific energy label energy consumption data multiplied by the carbon emissions factor for energy in your country or region. Our In-use Energy Carbon Emissions Estimate is designed to assist customers in making informed purchasing decisions when comparing different Fisher & Paykel products. For example, a heat pump dryer typically has a lower In-use Energy Carbon Emissions Estimate than a vented dryer.
