FISHER & PAYKEL

FISHER AND PAYKEL OR90SCI6B1 9 Classic 5 Zone Induction Pyrolytic Cooker

Series 9 | Classic

Black

With large oven and cooktops that can be paired to create an expansive cook zone, this freestanding cooker is made for those who love to cook.

- Five cooking zones that can be bridged to form SmartZones
- Convection oven with 140L total capacity, nine oven functions plus rotisserie, including Pastry Bake with pizza mode and rapid proof for making bread
- Non-tip full-extension shelves for safe removal of hot dishes
- High-temperature self-cleaning function breaks down food residue for an easy clean

DIMENSIONS

- Height 898 – 946 mm
- Width 897 mm
- Depth 600 mm

FEATURES & BENEFITS

Multi-Shelf Cooking

Our AeroTech™ system circulates air evenly throughout the entire oven so dishes on the top shelf turn out just as perfectly as food cooking on the bottom shelf.

Quality And Durability

Every detail has been carefully crafted. The solid, perfectly balanced soft-close door, durable cooktop and glowing halo dials all add up to an exceptional, premium range.

Power & Control

Instant and immediate control from the highest to the gentlest heat. The finely tuned cooktop controls let you sear, stir fry or simmer a delicate sauce to perfection.

Easy To Clean

Cleaning up spills is effortless. Your cooktop simply needs a quick wipe to keep it looking good as new. The pyrolytic selfclean oven cycle breaks down food residue at a very high temperature, leaving a light ash that's easily removed with a damp cloth.

Complementary Design

Combining traditional aesthetics and modern performance, this Classic style freestanding range cooker is the perfect centrepiece for your unique kitchen design.

Large Capacity Oven

The generous 140L total capacity oven gives you plenty of space to cook multiple dishes at once.

Multi-Function Flexibility

No matter what you are cooking, you have the right heat to match thanks to nine oven functions plus Rotisserie, including Pastry Bake with Pizza Mode and Rapid Proof for making bread.

Large, Flexible Cooking Area

SmartZone links two cooking zones and controls them as one, giving you the flexibility to use large pans and griddles and easily handle bigger food items such as a whole fish

SPECIFICATIONS

QUICK REFERENCE GUIDE

Accessories (included)

- Flat wire shelf 1
- Full extension sliding shelves 2 sets (part 578744)
- Full extension telescopic shelves 2 sets (part 578744)
- Grill rack true
- Roasting dish 1
- Rotisserie set 1 set
- Step down wire shelf •

Accessories (sold separately)

Kick strip, black (optional) KICKOR90B1

Capacity

- Shelf positions (main oven) 6
- Total capacity 140 L
- Usable capacity (main oven) 120 L

Where applicable:

All appliances use energy, and energy usage typically generates carbon emissions. Fisher & Paykel Appliances' In-use Energy Carbon Emissions Estimate indicates carbon emissions from a product's in-use energy. This is calculated either annually or per cycle, using the product's market-specific energy label energy consumption data multiplied by the carbon emissions factor for energy in your country or region. Our In-use Energy Carbon Emissions Estimate is designed to assist customers in making informed purchasing decisions when comparing different Fisher & Paykel products. For example, a heat pump dryer typically has a lower In-use Energy Carbon Emissions Estimate than a vented dryer.
