 - Automatic cooking/minute timer
 - Automatic pre-set temperatures
 - Celsius/Fahrenheit temperature
 - Electronic clock
 - High resolution display
 - Laser etched graphics
 - Precise electronic temperature control
 - Sabbath mode
 - Toughened fused glass graphics
 - Turned stainless steel clock buttons
 - Turned stainless steel clock crown (dial)

Product Usage Instructions

- **Multi-Shelf Cooking with AeroTech™ System:**

Utilize the AeroTech™ system for even air circulation in the oven. Place dishes on different shelves for consistent cooking results.

- **Power & Control Cooktop**

Adjust heat levels instantly with the finely tuned cooktop controls. From high heat for searing to gentle heat for simmering, achieve precise cooking results.

- **Easy Cleaning**

Wipe spills effortlessly from the cooktop. Use the pyrolytic self-clean function for thorough oven cleaning at high temperatures, leaving a light ash for easy removal.

- **Large Capacity Oven with Multi-Function Flexibility**

Explore nine oven functions including Rotisserie, Pastry Bake with Pizza Mode, and Rapid Proof. The large 140L oven capacity allows for versatile cooking options.

- **Large, Flexible Cooking Area with SmartZone Feature**

Link two cooking zones to handle larger pans and food items easily. Control them as one for added convenience in your cooking process.

With large oven and cooktops that can be paired to create an expansive cook zone, this freestanding cooker is made for those who love to cook.

- Five cooking zones that can be bridged to form SmartZones
- Convection oven with 140L total capacity, nine oven functions plus rotisserie, including Pastry Bake with pizza mode and rapid proof for making bread
- Non-tip full-extension shelves for safe removal of hot dishes
- High-temperature self-cleaning function breaks down food residue for an easy clean

DIMENSIONS

- Height 898 – 946 mm
- Width 897 mm
- Depth 600 mm

FEATURES & BENEFITS

- **Multi-Shelf Cooking**

Our AeroTech™ system circulates air evenly throughout the entire oven so dishes on the top shelf turn out just as perfectly as food cooking on the bottom shelf.

- **Quality And Durability**

Every detail has been carefully crafted. The solid, perfectly balanced soft-close door, durable cooktop and glowing halodials all add up to an exceptional, premium range.

- **Power & Control**

Instant and immediate control from the highest to the gentlest heat. The finely tuned cooktop controls let you sear, stir fry or simmer a delicate sauce to perfection.

- **Easy To Clean**

Cleaning up spills is effortless. Your cooktop simply needs a quick wipe to keep it looking good as new. The pyrolytic selfclean oven cycle breaks down food residue at a very high temperature, leaving a light ash that's easily removed with a damp cloth.

- **Complementary Design**

Combining traditional aesthetics and modern performance, this Classic style freestanding range cooker is the perfect centrepiece for your unique kitchen design.

- **Large Capacity Oven**

The generous 140L total capacity oven gives you plenty of space to cook multiple dishes at once.

- **Multi-Function Flexibility**

No matter what you are cooking, you have the right heat to match thanks to nine oven functions plus Rotisserie, including Pastry Bake with Pizza Mode and Rapid Proof for making bread.

- **Large, Flexible Cooking Area**

SmartZone links two cooking zones and controls them as one, giving you the flexibility to use large pans and griddles and easily handle bigger food items such as a whole fish.

SPECIFICATIONS

- Self Cleaning Sf Yes
- **Product dimensions**
- Depth 600 mm
- Height 898 – 946 mm
- Width 897 mm

Rangetop features

- Auto heat reduce •
- Dual colour display •

Where applicable:

All appliances use energy, and energy usage typically generates carbon emissions. Fisher & Paykel Appliances' In-use Energy Carbon Emissions Estimate indicates carbon emissions from a product's in-use energy. This is calculated either annually or per cycle, using the product's market-specific energy label energy consumption data multiplied by the carbon emissions factor for energy in your country or region. Our In-use Energy Carbon Emissions Estimate is designed to assist customers in making informed purchasing decisions when comparing different Fisher & Paykel products. For example, a heat pump dryer typically has a lower In-use Energy Carbon Emissions Estimate than a vented dryer.

Frequently Asked Questions

- Q; How do I clean the oven door inner glass?

A: The oven door inner glass is removable for easy cleaning. Simply lift it out carefully and clean with a damp cloth.

• **Q: Can I use large pans on the SmartZone feature?**

A: Yes, you can use large pans and griddles on the SmartZone feature by linking two cooking zones to create a larger cooking area.

• **Q: What is the total capacity of the oven?**

A: The oven has a generous total capacity of 140 liters, providing ample space for cooking multiple dishes simultaneously.
