FISHER PAYKEL CGI603DNGTB4 60cm Gas and Induction Cooktop with SmartZone

Get the best of both worlds with a powerful gas cooktop paired with the efficiency and precision of induction cooking zones.

- A dual fuel cooktop with two induction zones and a gas wok burner
- With black detailing and Minimal styling to suit any kitchen design
- With a flame-failure safety device and an induction surface that remains cool until a pot or pan is placed on top.
- PowerBoost activates a very high heat, bringing liquid to boil in less than a minute

DIMENSIONS

- Height 126
- Width 599
- Depth 530

FEATURES & BENEFITS

- **Combination cooking**

Experience the best of combination cooking with our dual fuel gas and induction cooktop. Featuring a powerful wok burner combined with two induction cooking zones for ultimate flexibility in the kitchen.

- **Precise control**

Our induction cooktops offer extremely accurate temperature control from very high to very low heats, so you can sear, sauté and temper like a pro. The powerful gas burner has consistent flame and heat distribution, perfect for wok-style cooking.

- **Complementary design**

The subtle black glass, durable matte black detailing, and black dial blend elegance with durability. With premium styling, these cooktops seamlessly blend with other appliances for a cohesive, considered kitchen design.

- **Safe and sound**

Induction cooktops remain cool to touch until a pot or pan is placed on the surface – so they are safer for everyone. The flame failure safety device automatically turns off the gas on the burner if the flame is accidentally extinguished

- **Easy cleaning**

With a single cooking surface across both gas and the induction, this cooktop is simple to clean. On the induction cooktop, the surface around your cookware stays cool when you cook, preventing baked-on spills and making cleaning up a breeze.

- **Large, flexible cooking area**

SmartZone links two cooking zones and controls them as one, giving you the flexibility to use large pans and griddles and easily handle bigger food items such as a whole fish. This cooktop comes with a small pot support and wok stand to complement different cooking styles.

- **Quality materials**

Our cooktops are built from a single panel of toughened ceramic glass with larger support frame, ensuring lasting quality.

SPECIFICATIONS

Accessories

- Small pan support •
- Wok stand •

Burner ratings

- Dual wok burner (inner only) 2.4MJ/h
- Dual wok burner power 20.5MJ/h
