Width	29 7/8"
Depth	29 1/8"

FEATURES & BENEFITS

Cook with confidence

Our touchscreen interface provides an intuitive guided cooking experience that helps deliver perfect results, whether you've been cooking all your life or just starting out. Cook with a favorite method, a hero ingredient, or a go-to cooking function or recipe. The screen tilts for improved ergonomics and optimal visibility while cooking.

Generous capacity

Featuring a generous total capacity of 4 cu ft, with enough room to fit a 26 lb turkey, or to cook several dishes at once.

Cooking flexibility

No matter what you're cooking, you've got the right heat to get perfect results. Each of the 15 oven functions has been extensively researched and carefully designed to cater to a broad range of dishes and cooking styles. The handy food probe helps you monitor your progress.

Cooktop Power

Instant and immediate control from the highest to the gentlest heat. The finely tuned cooktop controls let you sear, stir fry or simmer to perfection. Since most of the heat generated by the cooktop is transferred into cookware, induction offers an energy-efficient cooking option.

Design quality

This range has craftsmanship in every detail, with real stainless steel, high-quality glass, and beautifully weighted, halo-illuminated dials. Each cavity features incandescent lights and full extension telescopic racks. From the robust legs to the powerful cooktop, this Range is built to last.

Easy to clean

The oven features a self-cleaning function and self-clean-proof side racks, which don't need to be removed when using this function. The durable induction cooktop surface only needs a quick wipe after use to keep it clean.

SPECIFICATIONS

Accessories

Adjustable feet covers	•
Branded coin end cap	•
Square handle option	AH

Capacity

Shelf positions	5
-----------------	---

Cleaning

Pyrolytic self-clean	•
