FISHER & PAYKEL

FISHER PAYKEL WH2424F1 Front Load Washer with Timer Saver

Ultimate performance and fabric care, this washer is powered by SmartDrive™ technology for a quicker, quieter wash

- 13 wash cycles including Sanitize, Sports and Wool wash, and extra wash features such as Steam and Time Saver
- With 'Add a Garment' function, allows you to pause your wash and add an item
- Energy Star certified
- With our matching Condensing Dryer you have a perfect pair for your laundry

DIMENSIONS

Height	33 1/4 – 33 5/8"
Width	23 7/16"
Depth	25 3/8"

FEATURES & BENEFITS

SmartDrive(TM) technology

SmartDrive™ Technology is a gentle, quiet, and efficient combination of smart electronics and a direct drive motor that senses the load to deliver better fabric care.

Steam clean

The Steam function opens up the fibers within the fabric, helping the wash cycle and cleaning agent to do their job more effectively. The result is a superior wash.

Time Saver option

The Time Saver option activates a special temperature profile and unique tumble sequence to speed things up when you are in a rush.

Protect your woolens

Our Wool cycle has a Woolmark™ guarantee so you can wash your woolen garments with confidence.

Drum Clean

The Drum Clean cycle flushes out the drum minimizing the chance of unwanted smells developing. A handy reminder to activate the Drum Clean function occurs after every 100 wash cycles.

Add a Garment

The Add a Garment feature allows you to quickly add or remove any size garment mid-cycle. Simply press the Add a Garment button and the door will unlock. If the drum water is too high, just enough will be drained out before the door is unlocked.
