Product Usage Instructions

Assembly:

1. Check if a support bar is supplied with your top.
2. If a support bar is supplied, assemble it according to the provided instructions.
3. Support bar and screws are packed in the top carton.

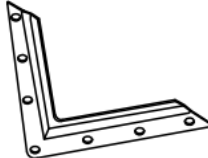

Usage:

Once assembled, place the top securely on the designated surface. Ensure that the support bar, if included, is properly installed to provide stability.

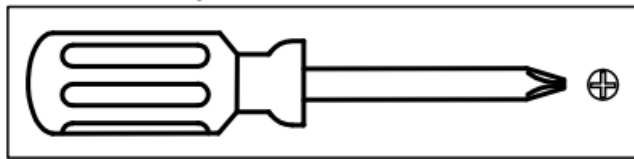

FAQ

- **Q: What should I do if the support bar is missing from my package?**
A: Contact customer support to request the missing support bar. Do not attempt to use the product without the support bar for safety reasons.
- **Q: Are the assembly instructions included in the packaging?**
A: Yes, assembly instructions should be included in the packaging. Please refer to them for proper assembly.
