INSTALLATION

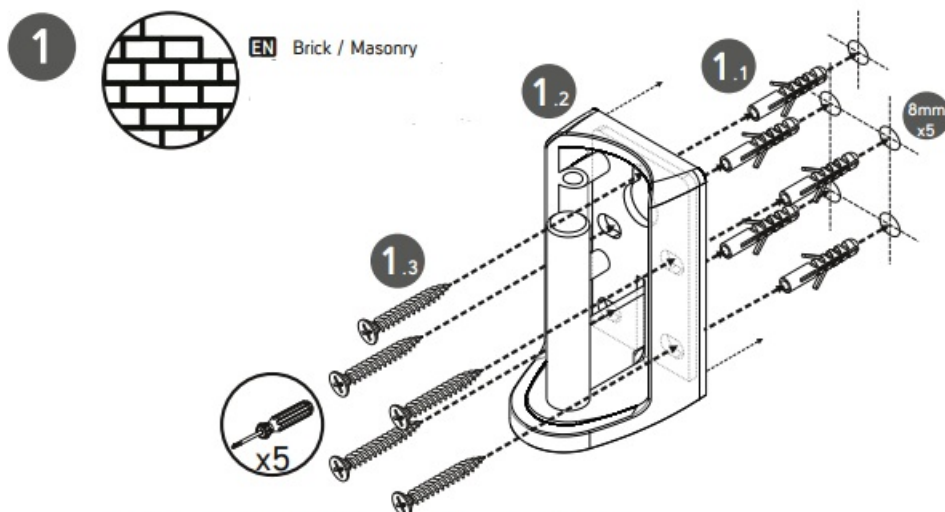

Warning

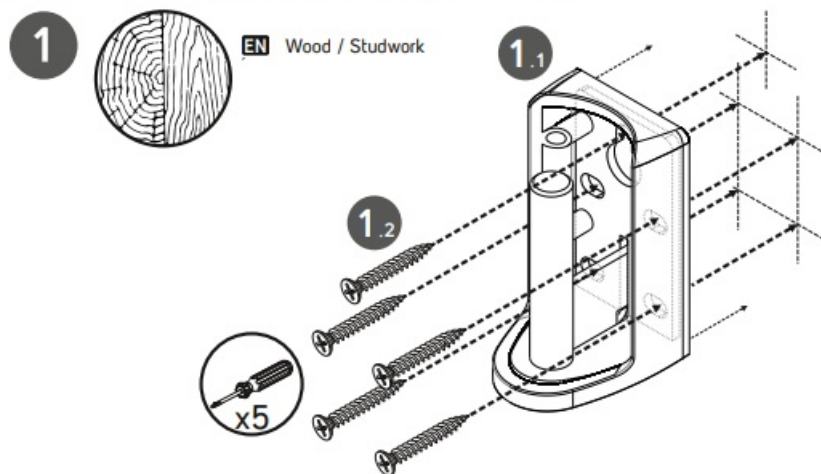

- To avoid risk of property damage or personal injury, follow only these instructions, do not alter or modify Flexson P5-WMV from its original condition, and do not attempt to use or repair Flexson P5-WMV if damaged.
- The mounting hardware included with this product is for use in wood stud or masonry applications only. Flexson P5-WMV must be installed into a wood stud or masonry. Do not attempt to install in drywall only.
- SONOS PLAY:5 + Flexson P5-WMV = 8.2Kg (18.08 lbs) combined. The wall or ceiling must be rated to support at least five times this mass. Contact a qualified builder if you have any doubts as to the construction or integrity

of your wall or ceiling.

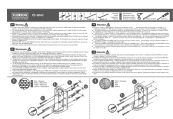

- Installation requires the use of a power drill. Familiarize yourself with all necessary tools before installing Flexson P5-WMV and use adequate eye and other personal protection, or arrange for installation by a professional.
- Flexson P5-WMV and SONOS PLAY: 5 are not intended to support weight of other objects. Once installed, do not hang other objects on Flexson P5-WMV or SONOS PLAY:5
- Flexson P5-WMV is for use with SONOS PLAY:5 only. Exertis (UK) Ltd is not responsible for mishandling, improper installation or use with any device other than the specified product.
- This product contains small items that could be a choking hazard if swallowed. Keep these items away from young children!

Exertis (UK) Ltd, St George House, Parkway, Harlow Business Park, Harlow, Essex, CM19 5QF, UK
