FORTE MFF2023\_IM Multi Purpose Shelf with Integrated Desk

## Product Information

### Product Specifications:

- **Model:** MFF2023
- **Assembling Time:** 180 minutes
- **Weight Capacity:** max 15 kg (upper shelf), max 50 kg (lower shelf)
- **Dimensions:** 420 x 1594 x 1036 mm

## Product Usage Instructions

### Assembling the Furniture:

Follow the assembling instructions provided in the manual to ensure safety and proper setup of the furniture.

### Ventilation After Assembly:

After assembling the furniture, it is recommended to ventilate the room where the furniture is placed for about four weeks or until any manufacturing odours dissipate.

### Avoid Overloading:

Make sure not to exceed the weight capacity limits specified for each shelf to prevent damage or accidents.

### FAQ:

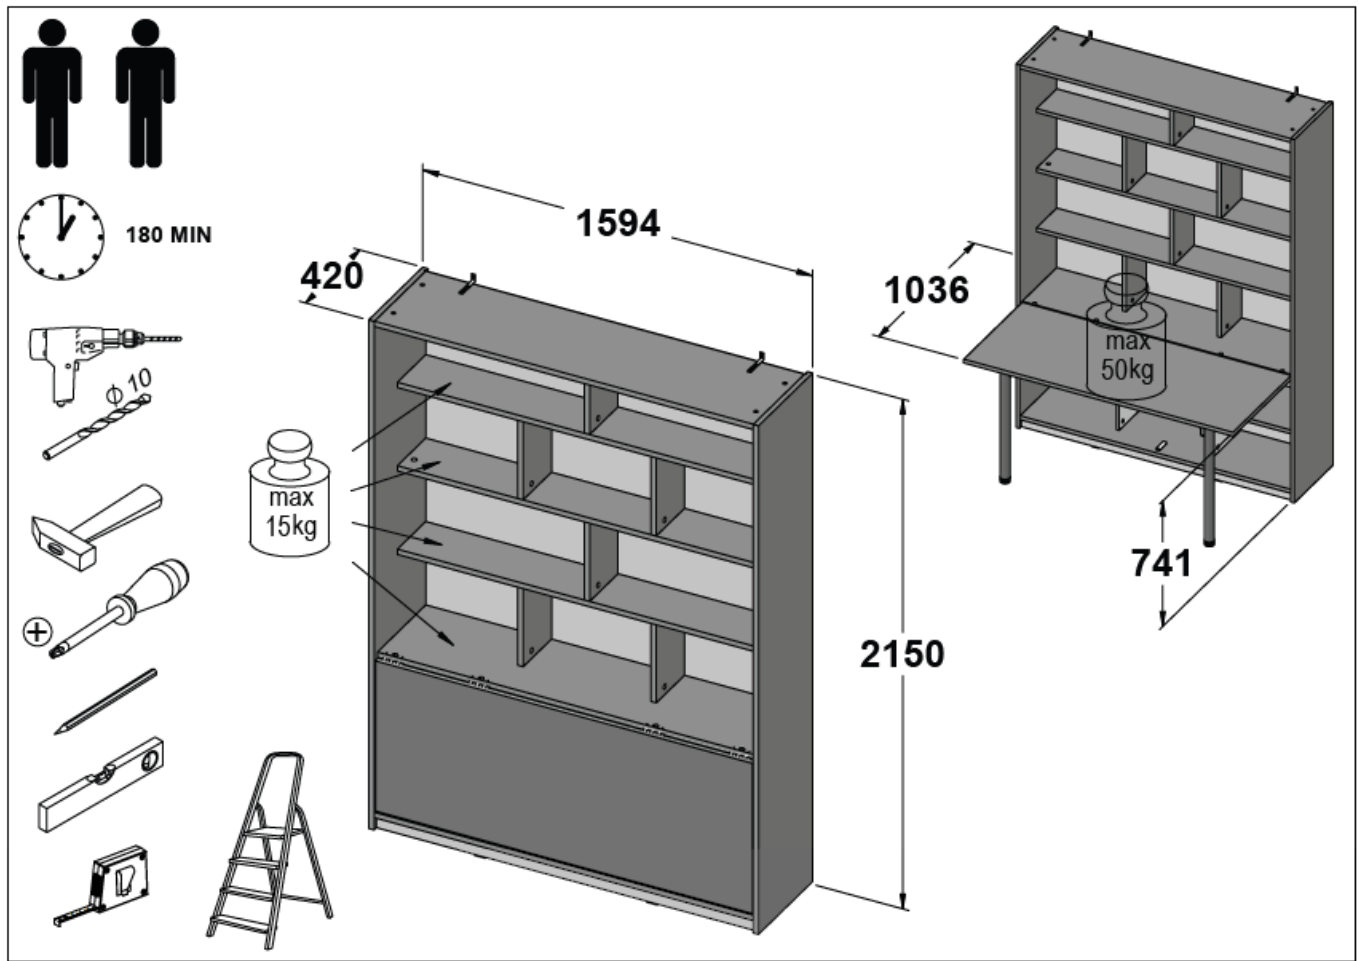

- **Q: What should I do if I encounter any difficulties during assembly?**

A: If you face challenges during assembly, refer to the manual for troubleshooting tips or contact customer support for assistance.

- **Q: Can I disassemble the furniture once it's assembled?**

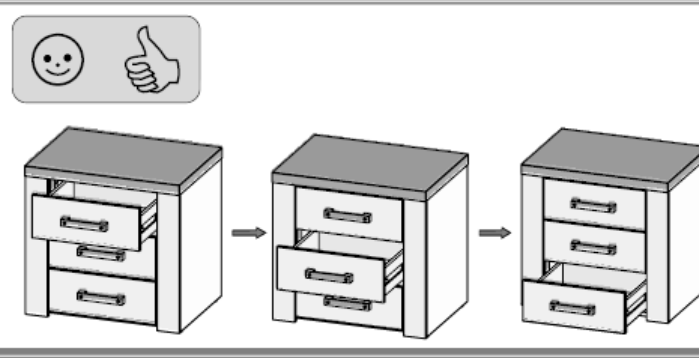

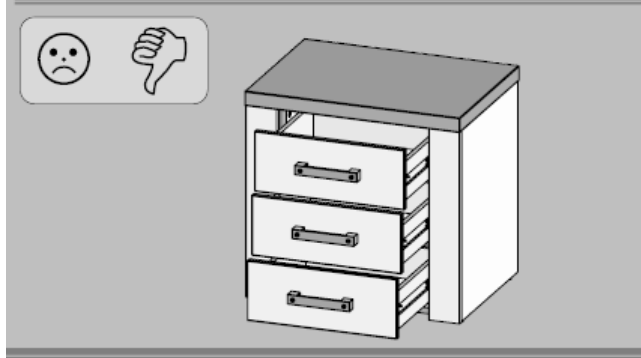

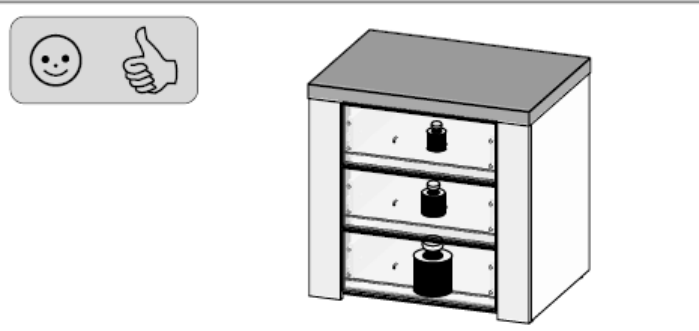

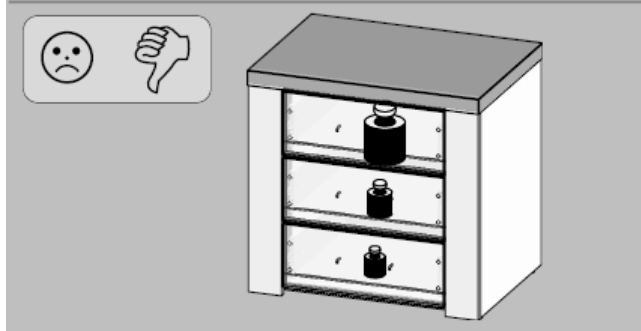

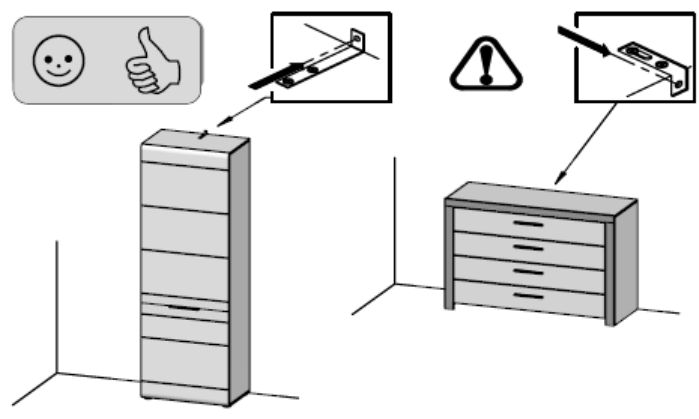

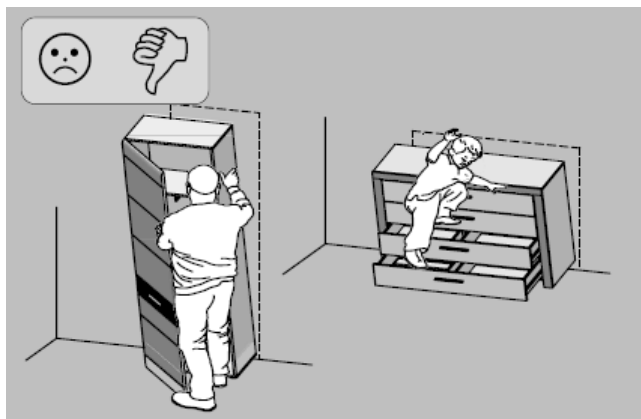

A: It is possible to disassemble the furniture following the reverse of the assembly steps. Take care to keep track of all parts for reassembly.

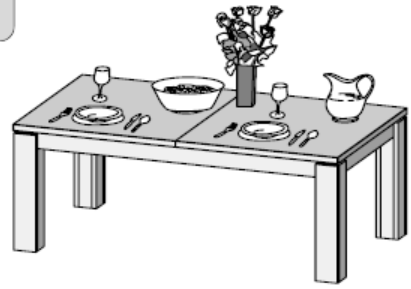

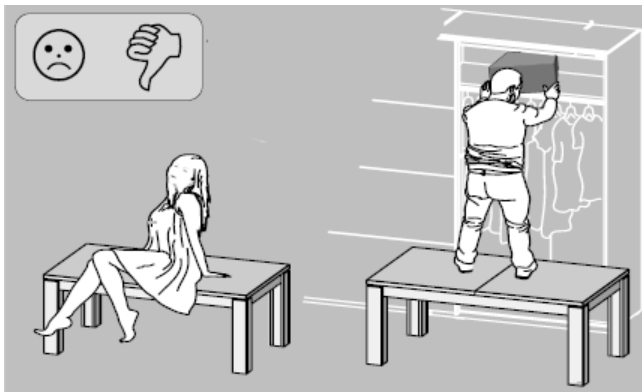

## Dimension

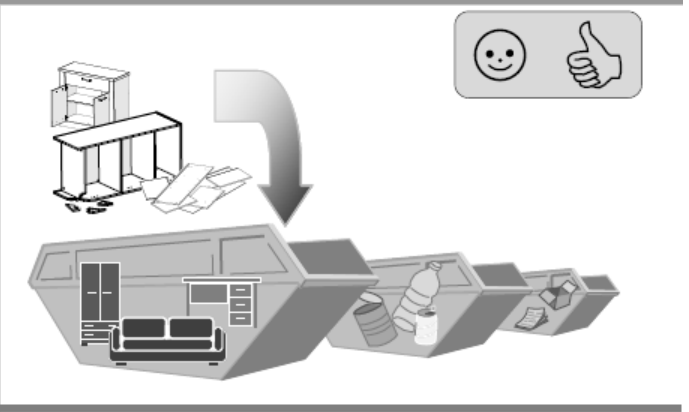

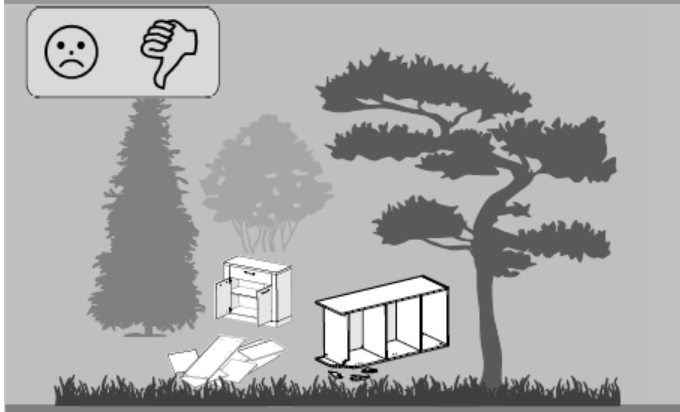

Follow the manufacturer's assembly instructions, otherwise, danger may occur.

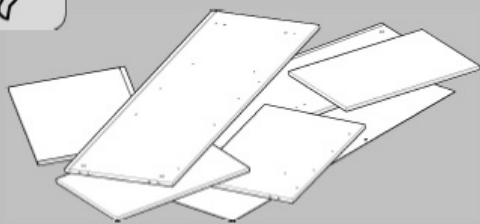

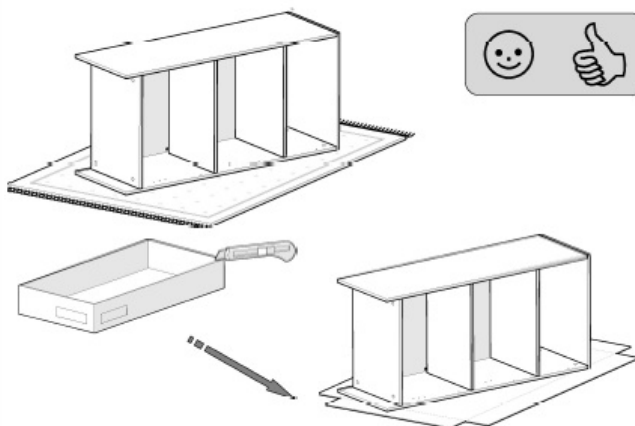

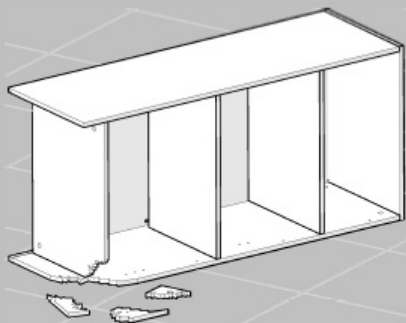

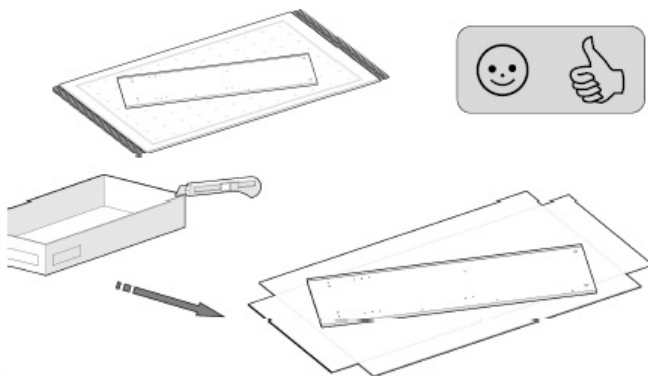

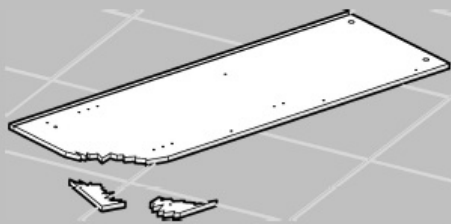

## Assembly Plan

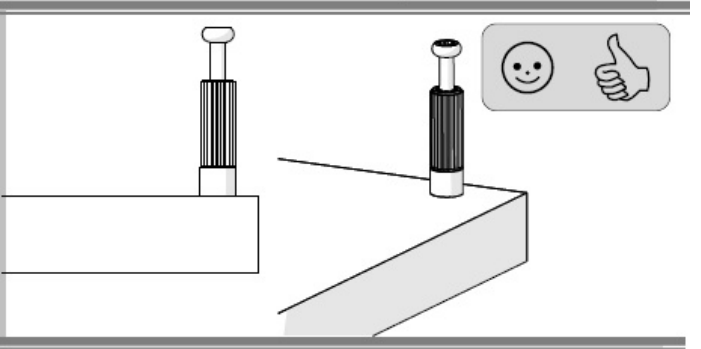

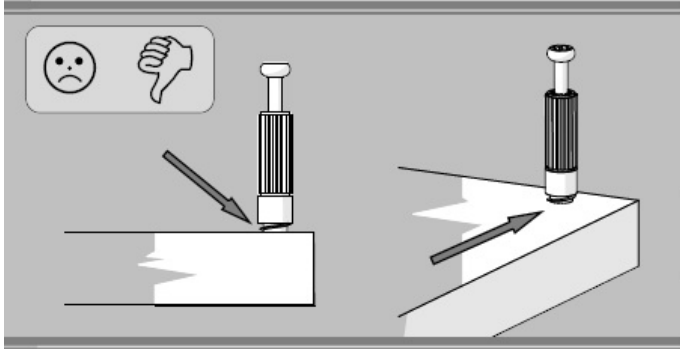

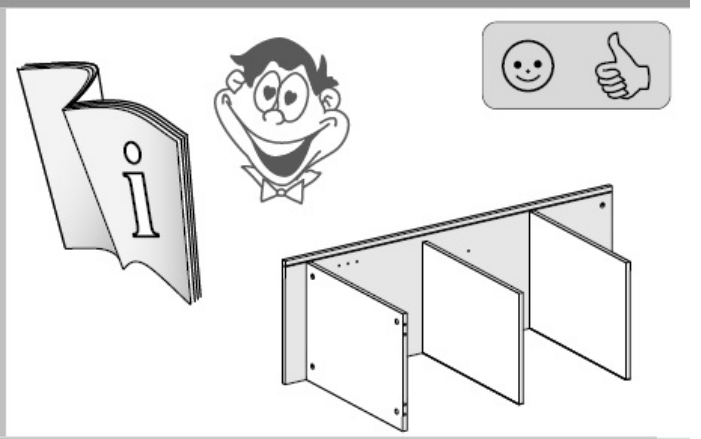

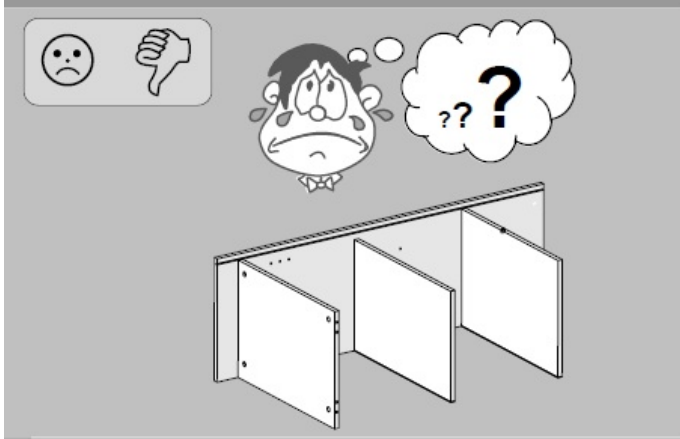

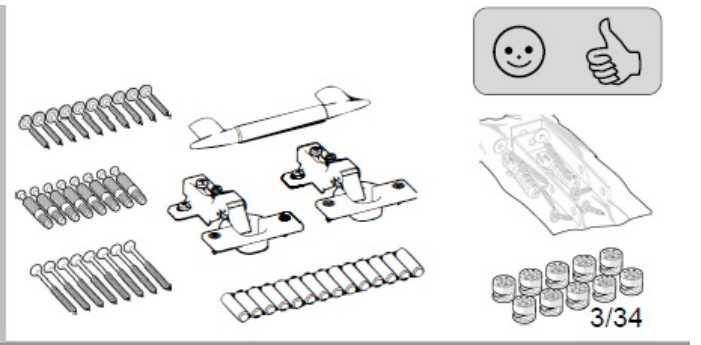

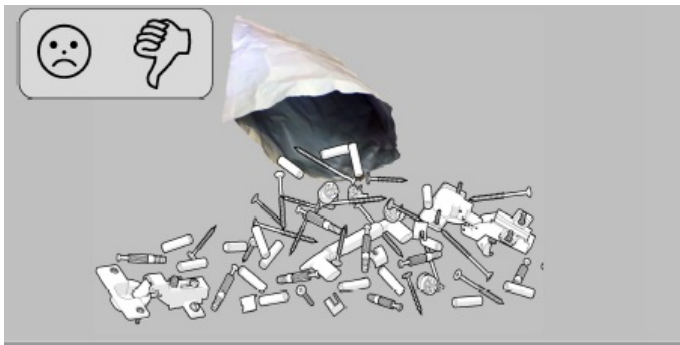

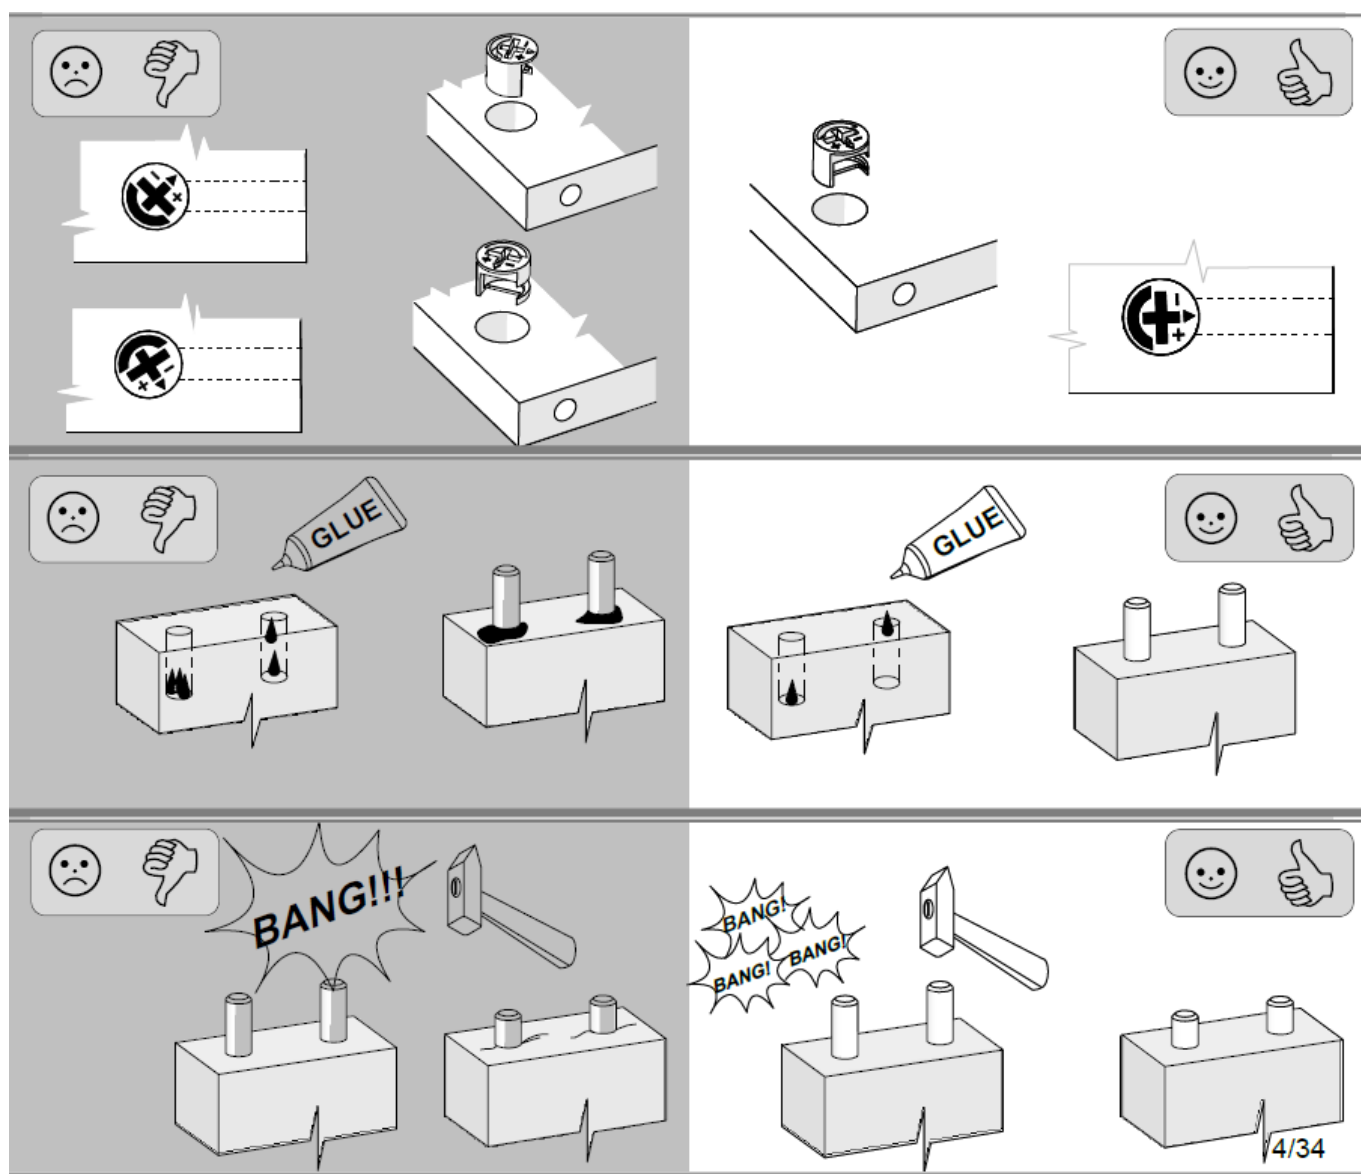

2/34

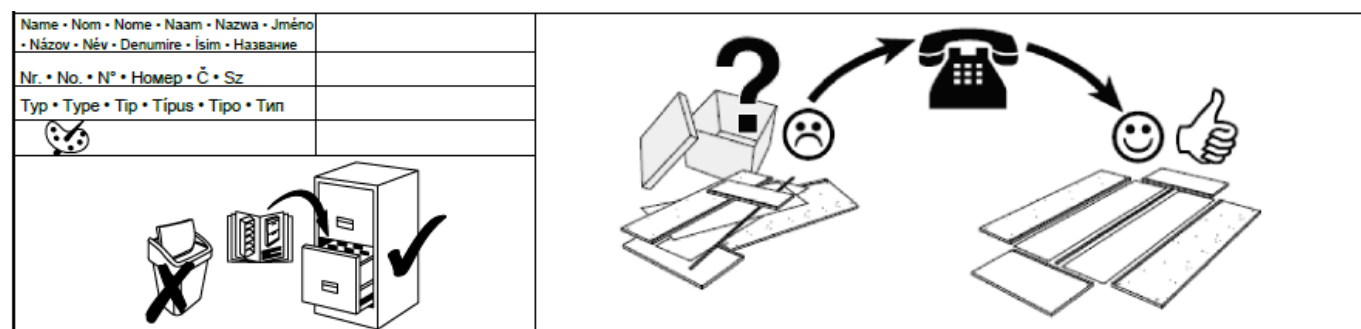

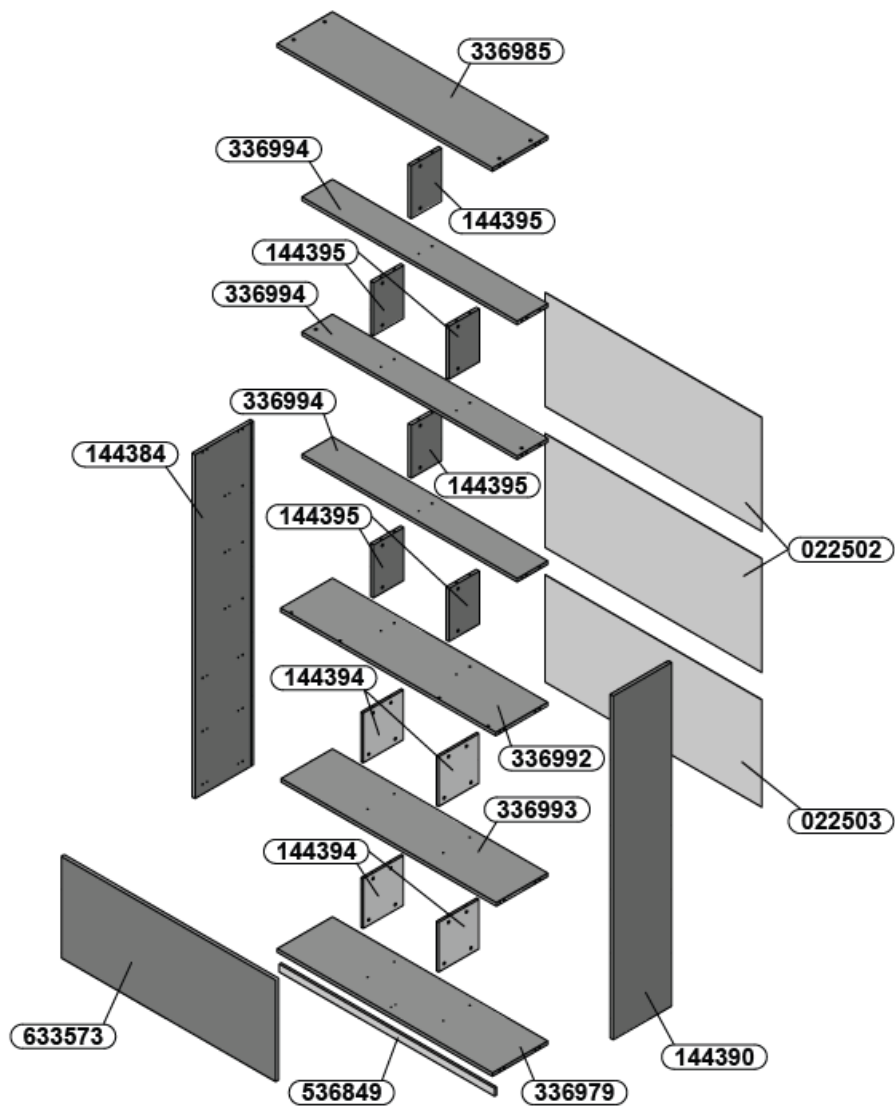

Furniture containing wood-based panels (particle board, fibreboard, plywood etc.) may emit into indoor air inconsiderable amounts of substances used in the production processes. The level of this emission is examined and it meets the applicable standards. After assembling the furniture, it is advised to regularly ventilate the room where the furniture stands, which should last about four weeks or until the smell is eliminated.

Before suspending or fixing furniture to the wall (in order to prevent falling over), check the type and strength of the wall. Select wall plugs and screws appropriate for the given type of the wall. In the case of doubts, contact a specialist. The installation must be performed by a competent person.

## WARNING!

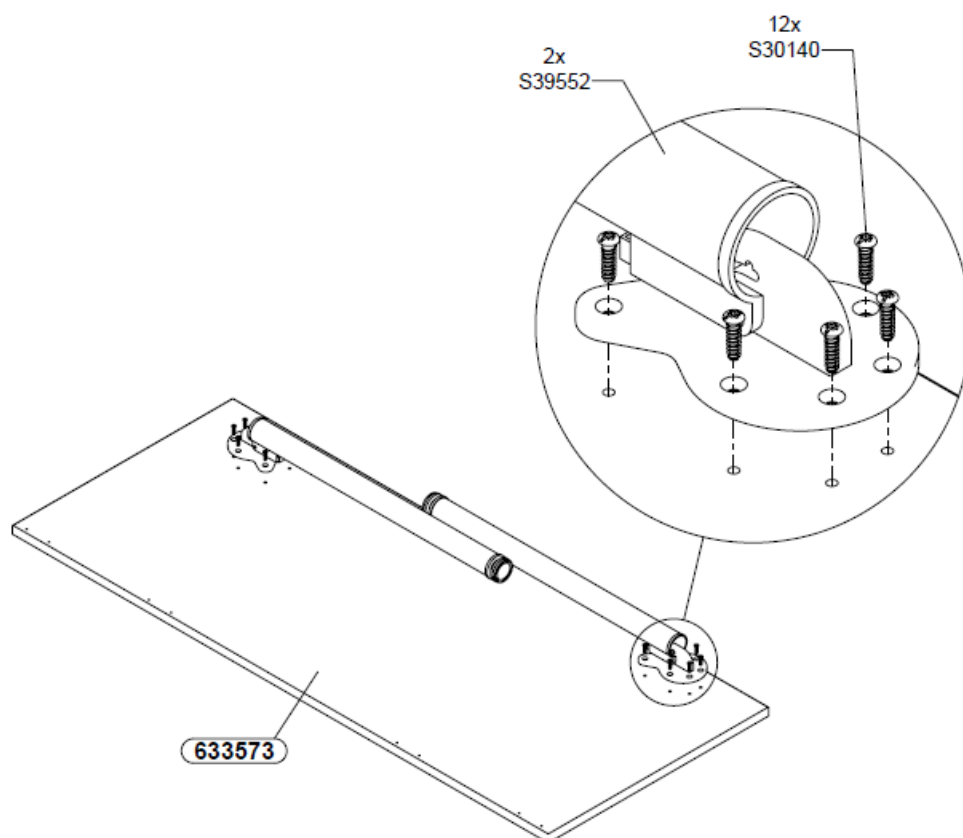

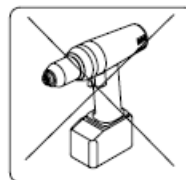

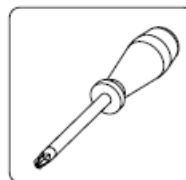

If the rawlplugs with screws are attached to the product, then they are intended only for walls made of solid and homogeneous materials.

To prevent the piece of furniture from falling over, please attach it permanently to the wall.
