SAFETY NOTICES SUMMARY

Do not use the Product in circumstances that could cause a dangerous situation, such as using the Product while operating heavy machinery or driving a moving vehicle in a manner that might cause you to take your eyes off the road or become so absorbed in the activity that your ability to concentrate on the act of driving becomes impaired. Your use of the Product is solely at your own risk. We do not make any representations, warranties or promises about the accuracy, reliability or effectiveness of any of the Product’s functions or services, including without limitation, the number of steps you’ve taken, calories burned, sleep quality or duration, heart rate (if applicable), and other information.

The Product, including its operating system and any heart rate sensors located on the Product (if applicable), is

not a medical device and is intended for general wellness/fitness purposes only. It is not designed or intended for use in the diagnosis of disease or other conditions, or in the cure, mitigation, treatment, or prevention of disease. Always seek the advice of a qualified medical professional before starting or making any changes to your exercise, sleep, or nutrition, as doing so may cause severe harm or death.

Prolonged rubbing and pressure can irritate the skin. Please take special care to keep the device clean as the combination of sweat and dirt may also cause skin irritation.

Product should be kept more than 20cm away from implanted medical devices to minimize potential for RF interference. See support.skagen.com for more details.

Consult your physician and medical device manufacturer for information specific to your medical device and whether you need to maintain a safe distance of separation between your medical device and the Product.

Product is capable of producing light and loud noises which may be damaging to eyes and hearing, if used too closely. Obey all posted signs to turn off the wireless device such as hospitals, clinics or health care facilities, aircraft vehicles and areas with potentially explosive atmospheres include fuelling areas, below decks on boats, fuel or chemical transfer or storage facilities. Avoid areas where the air contains chemicals or particles, such as grain, dust, or metal powders

Turn off when in a blasting area or in areas posted turn off “two-way radios” or “electronic devices” to avoid interference. Extended exposure to magnetic sources may cause your product to malfunction.

- The product cannot guarantee connection in all conditions, therefore do not solely rely for emergency calls.
- Never allow children to play with the product; the small components may be a choking hazard!
- Do not attempt to open, disassemble or tamper with the Product. Substances contained in this product and/or its battery may damage the environment and/or human health if handled and disposed of improperly.
- The battery should be serviced only by Fossil Group authorized service centers.

WARNING! Use of non-approved battery or charger may present a risk of fire, explosion, leakage or other hazard.

The Product uses a California Energy Commission battery charger.

For Touchscreen Smartwatch specific regulatory information, certification, and compliance marks can be found on this product. Go to Settings > System > Regulatory Information.

For Hybrid Smartwatch HR specific regulatory information, certification, and compliance marks can be found on this product. Go to Settings > About.

For additional regulatory and/or Radio Frequency Exposure information, visit <https://www.fossilgroup.com/compliance/regulatory-compliance/>

FOR DEVICES USING A COIN CELL BATTERY

Do not ingest battery – Chemical Burn Hazard This product contains a coin / button cell battery. If the coin / button cell battery is swallowed, it can cause severe internal burns in just 2 hours and can lead to death. Keep new and used batteries away from children. If the battery compartment does not close securely, stop using the product and keep it away from children. If you think batteries might have been swallowed or placed inside any part of the body, seek immediate medical attention.

REGULATORY NOTICES

FCC STATEMENT (USA)

This equipment, sold in the USA, has been tested and found to comply with the limits for a Class B digital device, pursuant to Part 15 of the FCC Rules. These limits are designed to provide reasonable protection against harmful interference in a residential installation. This equipment generates, uses, and can radiate radio frequency energy and, if not installed and used in accordance with the instructions, may cause harmful interference to radio communications. However, there is no guarantee that interference will not occur in a particular installation. If this equipment does cause harmful interference to radio or television reception, which can be determined by turning the equipment off and on, the user is encouraged to try to correct the interference by one or more of the following measures:

- Reorient or relocate the receiving antenna.
- Increase the separation between the equipment and receiver.
- Connect the equipment to an outlet on a circuit different from that to which the receiver is connected.
- Consult the dealer or an experienced radio or television technician for help.

This device complies with part 15 of the FCC Rules. Operation is subject to the following two conditions: (1) This device may not cause harmful interference, and (2) this device must accept any interference received, including interference that may cause undesired operation.

WARNING! Exposure to Radio Frequency Radiation. The radiated output power of this device is below the FCC and Industry Canada radio frequency exposure limits. FCC requires the user to be notified that any changes or modifications made to this device that are not expressly approved by manufacturer, may void the user's authority to use the device. This device must not be co-located or operating in conjunction with any other antenna or transmitter. This device meets the FCC and ISED requirements for RF exposure in public or uncontrolled environments.

CAN ICES-3 (B)/NMB-3 (B) (CANADA)

This digital apparatus does not exceed the Class B limits for radio noise emissions from digital apparatus set out in the interference-causing equipment standard entitled: "Digital Apparatus," ICES-003 of the Canadian Department of Communications. This device contains licence-exempt transmitter(s)/receiver(s) that comply with Innovation, Science and Economic Development Canada's licence-exempt RSS(s). Operation is subject to the following two conditions: (1) This device may not cause interference. (2) This device must accept any interference, including interference that may cause undesired operation of the device.

CE DECLARATION OF CONFORMITY (EUROPE)

For this equipment, sold in Europe, Hereby, Fossil Group, Inc., declares that this product is in compliance with the essential requirements and other relevant provisions of Radio Equipment Directive 2014/53/EU. The full text of the EU declaration of conformity, maximal transmission power per frequency band, and/or SAR values are available at the following internet address: <https://www.fossilgroup.com/compliance/regulatory-compliance/>

UK DECLARATION OF CONFORMITY

Hereby, Fossil Group, Inc., declares that this product is in compliance with the essential requirements and other relevant provisions of Radio Equipment Regulations 2017. The full text of the UK declaration of conformity, maximal transmission power per frequency band, and/or SAR values are available at the following internet address: <https://www.fossilgroup.com/compliance/regulatory-compliance/united-kingdom/>

This product might support one or all of the frequencies of stated powers below:

Radio	Frequency range	Transmitted Power/Emission
1	2400-2483.5 MHz	< 50 mW
2	1 kHz-25 MHz	< 10 dBµA/m

DISPOSAL AND RECYCLING INFORMATION

The symbol indicates that this Product shall not be mixed with unsorted municipal waste when disposed of. There is a separate collection system for waste electrical and electronic equipment. Usually old electrical and electronic equipment can be returned free of charge. For further information please contact the competent municipal authorities or the shop where you purchased the Product. Correct disposal ensures that waste electrical and electronic equipment is recycled and reused appropriately. It helps avoid potential damage for the environment and human health and to preserve natural resources.

- Do not dispose of the Product with household waste.
- Batteries are not to be disposed of in municipal waste stream and require separate collection.
- Disposal of the packaging and your Product should be done in accordance with local regulations.

STANDARD LIMITED WARRANTY SUMMARY

For full Warranty details, Safety and Handling Notices, or to find additional translations, please visit support.skagen.com

Fossil Group, Inc. (“we”, “our” or “us”) warrants that this product and accessories included in the packaging with the product (the “Product”) are free from defects in material and workmanship under normal use for the period commencing upon the date of purchase and continuing for one year, except that if you reside and purchased this product in the European Economic Area (EEA), the United Kingdom (UK), or Switzerland (CH) the warranty period is two years.

This is a voluntary manufacturer’s warranty. It provides rights separate to rights provided by consumer law, including, but not limited to those relating to non-conforming goods. Our limited warranty benefits are in addition to, and not instead of, rights provided by consumer law.

WHAT IS NOT COVERED?

NORMAL WEAR AND TEAR. Periodic maintenance, repair and replacement of parts due to normal wear and tear are excluded from coverage.

CASE AND CRYSTAL (IF APPLICABLE). We do not warrant cases or crystals.

BRACELET. We do not warrant bracelets or straps.

BATTERIES. Only rechargeable batteries whose fully charged capacity falls below 80% of their rated capacity and batteries that leak are covered by this Limited Warranty. Non-rechargeable batteries are not covered under this Limited Warranty.

ABUSE & MISUSE. Defects or damages that result from:

- a) Improper operation, storage, misuse or abuse, accident or neglect, such as physical damage (cracks or scratches, etc.) to the surface of the Product resulting from misuse;
- b) Contact with liquid, water (outside of the exposure allowed based on the water resistance standards for the Product), rain, extreme humidity, heavy perspiration, sand, dirt or the like, extreme heat, or food;
- c) Other acts which are not the fault of Fossil Group, are excluded from coverage.

USE OF NON-APPROVED PRODUCTS. Defects or damage that result from the use of non-Fossil Group branded or certified products, accessories or software or other peripheral equipment are excluded from coverage.

ALTERED PRODUCTS. Product with:

- a) Serial numbers or production date codes or other tracking marks that have been removed, altered or obliterated;
- b) Broken seals or that show evidence of tampering or access by non-authorized dealers or repair centers; are excluded from coverage.

PRODUCTS FROM UNAUTHORIZED SELLERS. Products that are not purchased from an authorized Fossil Group retailer are excluded from coverage.

WHAT MUST YOU DO TO OBTAIN WARRANTY SERVICE?

To obtain service under this Limited Warranty, you must return the Product to an authorized service facility in an adequate container for shipping, accompanied by the sales receipt or comparable proof of sale showing the original date of purchase, the serial number of the Product and the seller’s name and address. If Fossil Group

determines that any Product is not covered by this Limited Warranty, you must pay for all parts, shipping, and labor charges for the repair or return of such Product.

In some jurisdictions, where allowed by law, a shipping and handling fee may be charged for warranty repairs. Available service options are dependent on the country in which the service is requested and may be restricted to the original country of sale.

No data, software or applications added to your Product will be reinstalled. You should keep a separate backup copy of any contents of the Product before delivering the Product to Fossil Group for warranty service, as some or all of the contents may be deleted or reformatted during the warranty service.

Subject to the full terms and detailed information on obtaining service available at support.skagen.com.

FOR AUSTRALIAN CUSTOMERS:

Our goods come with guarantees that cannot be excluded under the Australian Consumer Law. You are entitled to a replacement or refund for a major failure and for compensation for any other reasonably foreseeable loss or damage. You are also entitled to have the goods repaired or replaced if the Goods fail to be of acceptable quality and the failure does not amount to a major failure.

INTELLECTUAL PROPERTY

All Intellectual Property, as defined below, owned by or which is otherwise the property of Fossil Group or its respective suppliers relating to this product, including but not limited to, accessories, parts, or software relating there to (the "Product System"), is proprietary to Fossil Group or its licensors and protected under Federal laws, state laws, and international treaty provisions. Intellectual Property includes, but is not limited to, inventions (patentable or unpatentable), patents, trade secrets, copyrights, software, computer programs, and related documentation and other works of authorship. You may not infringe or otherwise violate the rights secured by the Intellectual Property. Moreover, you agree that you will not (and will not attempt to) modify, prepare derivative works of, reverse engineer, decompile, disassemble, or otherwise attempt to create source code from the software. No title to or ownership in the Intellectual Property is transferred to you. All applicable rights of the Intellectual Property shall remain with Fossil Group and its licensors and suppliers.
