FPG INLINE 3000 Series 1200 On-Counter Square Ambient Display

Product Usage Instructions

Installation

- Refer to the installation manual for detailed instructions on setting up the product.

Operation

- Ensure the product is plugged into a suitable power source meeting the specified voltage and current requirements.
- Adjust the height of the shelves as needed to optimize display capacity.
- If using sliding doors, ensure they operate smoothly and securely close after use.

Maintenance

- Regularly clean the display area, shelves, and glass surfaces with a mild detergent and soft cloth.
- Ensure the product is unplugged before cleaning.
