How to use ?

Connect the grip to the female USB-A port on the console dock using the 2.5m Type-C to USB-A cable, then slide the left and right controllers into the rails of the grip. You can now continue playing while charging your controllers. Unplug the cable when the controllers are charged.

Specifications

- For use with Switch controllers.
- USB Type-C connection

Do not connect the grip to a wall charger with a voltage higher than 5.5 V

Security

Please read and comply with the health and safety information. Failure to follow the precautions listed may result in injury or property damage. Use of this product by children should be under adult supervision.

- Do not expose this product to microwaves, high temperatures or direct sunlight.
- Do not allow this product to come into contact with liquids and do not handle it with wet or greasy hands. If liquid enters this product, discontinue use.
- Do not subject this product to excessive force. Do not pull or bend the USB charging cable sharply
- Do not touch this product while it is charging during a thunderstorm.
- If you hear a suspicious noise, see smoke or smell a strange odour, stop using this product.
- Do not attempt to disassemble or repair this product.
- Do not touch damaged parts. Avoid contact with any liquid leaking from the product.
- Keep packaging materials out of the reach of small children as they may be ingested. The USB charging cable could get wrapped around their necks.
- If the product is dirty, wipe it with a soft, dry cloth. Avoid the use of alcohol, thinner or any other solvent.
