P508 Bluetooth Headset Adapter Controller

MODEL P508
BLUETOOTH POUR MANETTE PS5

Power on/off:

- 1.1. Press Pair button for 3 seconds to power on, Red & Blue LED indicator starts flashing to enter pairing mode.
- 1.2. Press Pair button for 5 seconds to power off, LED indicator shuts down.

Pairing:

- 2.1. Power on the adapter, Red & Blue LED indicator starts flashing;
- 2.2. Turn on your Bluetooth headset device. Make it in pairing mode. (Different Bluetooth devices have different ways to enter Bluetooth pairing. Please make sure that your Bluetooth device has been turned on and is in the pairing mode.)
- * For AirPods, when you use pair with adapter first time, you need to press the pairing button on the AirPods for -8 seconds. The indicator light of the AirPods turns white, it is in pairing mode.
- 2.3. The adapter automatically connects into Bluetooth headset in 10 seconds. LED turns to blue.
- 2.4. Plug the adapter into the 3.5mm jack slot of the PS5 original controller
- 2.5. RE-connection: When the Bluetooth is out of the working range, it will automatically reconnects after returning to the working area.
- 2.6. Clear the Bluetooth list: Short press the pairing button, pairing list will be cleared, and the adapter will research the Bluetooth device.

Voice Chat:

The built-in microphone of the PS5 controller is excellent, this adapter will not transfer the microphone to the Bluetooth headset. You can still use the microphone of the PS5 controller to voice chat.

Mute the sound:

The default is sound on, shortly press the MUTE button, and then shortly press to restore the sound.

Volume Adjustment.

The Adapter supports adjusting the volume, please set the volume of your PS5 console properly, and then adjust the volume on the adapter to the best mode.

Stand by:

Adapter powers off automatically without connection after 5 minutes.
